Cats Kuniyoshi Ukiyo E Paper :

Cats in Ukiyo-E Kuniyoshi Utawaga, Kaneko Nobuhisa, 2012 This book is a collection of Kuniyoshi's works that featured cats. It will attract ukiyo-e lovers, cat lovers, and also provides valuable inspiration to designers or illustrators. *Irresistible* Joshua Paul Dale, 2023-10-26 Why are some things cute and others not? What happens to our brains when we see something cute? And how did cuteness go global from Hello Kitty to Disney characters? Cuteness is an area where culture and biology get tangled up. Seeing a cute animal triggers some of the most powerful psychological instincts we have: the ones that elicit our care and protection. But there is a deeper story behind the broad appeal of Japanese cats and saccharine greetings cards. Joshua Paul Dale, a pioneer in the burgeoning field of cuteness studies, explains how the cute aesthetic spread around the globe from pop brands to Lolita fashion, kids' cartoons, and the unstoppable rise of Hello Kitty. *Irresistible* delves into the surprisingly ancient origins of Japan's kawaii culture and uncovers the cross-cultural pollination of the globalised world. If adorable things really do rewire our brains, it can help answer some of the biggest questions we have about our evolutionary history and the mysterious origins of animal domestication. This is the fascinating cultural history of cuteness and a revealing look at how our most powerful psychological impulses have remade global style and culture. *Divine Felines: The Cat in Japanese Art* Rhiannon Paget, 2023-10-17 From Hello Kitty to Maneki Neko, Japan is the epicentre of global cat culture. Whether lurking in corners or taking center stage, cats are a ubiquitous presence in Japanese art. Depending on the situation, they may invite good fortune, prompt the viewer to meditate on a tale, or provide evidence of an unseen world of magic and supernatural happenings. In 200 charming woodblock prints, paintings, screens, and figurines spanning three centuries, Japanese art expert Rhiannon Paget celebrates the rich symbolism and surprising stories surrounding the feline image in Japan. This collection features works from over 30 museums and institutions across the world and contains essays on the following fascinating topics: Domestic Companion or Household God; Japanese artists represent the great affection and sense of pride which bonds cat owners to their pets; The Feline Muse; Feline figures as ideal subjects for artists to explore in fluid lines and organic forms; their glossy fur and markings lending themselves to the interplay of textures and materials; Lucky Cats; Auspicious creatures in Japanese culture symbolizing health, longevity, and prosperity; Mischief and Mayhem; Japan's rich visual record of cats as witches and feline monsters; Philosophers, Cats, Teachers, Pets, and Moggies with Messages; The felines deployed to illustrate philosophical and religious ideas and as conveyors of folk wisdom; Plus much more. This delightful book will appeal to anyone with an interest in Japanese art and culture, plus of course to all cat lovers. *Hyakunin'shu* Joshua S. Mostow, 2024-05-31 *Hyakunin'shu* Reading the Hundred Poets in Late Edo Japan explores the popular literary literacy of the Japanese at the edge of modernity. By reproducing and translating a well-known annotated and illustrated Ansei era 1854-1859 edition of the *Hyakunin'shu* for hundreds of years, the most basic and best-known waka primer in the entire Japanese literary canon, Joshua Mostow reveals how commoners of the time made sense of the collection. Thanks to the popularization

of the poems in the early modern period and the advent of commercial publishing the Hyakunin shu as it was commonly called was no longer the exclusive intellectual property of the upper classes but part of a poetic heritage shared by all literate Japanese Mostow traces the Hyakunin shu s history from the first published collections in the early sixteenth century and printed commentaries of formerly esoteric and secret exegesis to later editions that include imagined portraits of the poets and ultimately pictures of the heart pictorializations of the meaning of the poems themselves His study illuminates the importance of variant One Hundred Poets such as the Warrior One Hundred Poets in popularizing the collection and the work s strong association with feminine education from the early eighteenth century onward The National Learning Kokugaku movement pursued a philological analysis of the poems leading to translations of the Hyakunin shu into contemporary vernacular spoken Japanese The poems eventually served as the basis of a card game that became a staple of New Year festivities This volume presents some innovations in translating premodern Japanese poetry in the Introduction Mostow considers the Hyakunin shu s reception during the Edo when male homoerotic relationships were taken for granted and makes the case for his translating the love poems in a non heteronormative way In addition the translated poems are lineated to give readers a sense of the original edition s chirashi gaki or scattered writing allowing them to see how each poem s semantic elements are distributed on the page

The Tale of Genji John T. Carpenter, Melissa McCormick, Monika Bincsik, Kyoko Kinoshita, Sano Midori, 2019-03-04 With its vivid descriptions of courtly society gardens and architecture in early eleventh century Japan The Tale of Genji recognized as the world s first novel has captivated audiences around the globe and inspired artistic traditions for one thousand years Its female author Murasaki Shikibu was a diarist a renowned poet and as a tutor to the young empress the ultimate palace insider her monumental work of fiction offers entry into an elaborate mysterious world of court romance political intrigue elite customs and religious life This handsomely designed and illustrated book explores the outstanding art associated with Genji through in depth essays and discussions of more than one hundred works The Tale of Genji has influenced all forms of Japanese artistic expression from intimately scaled albums to boldly designed hanging scrolls and screen paintings lacquer boxes incense burners games palanquins for transporting young brides to their new homes and even contemporary manga The authors both art historians and Genji scholars discuss the tale s transmission and reception over the centuries illuminate its place within the history of Japanese literature and calligraphy highlight its key episodes and characters and explore its wide ranging influence on Japanese culture design and aesthetics into the modern era p p1 margin 0 0px 0 0px 0 0px 0 0px font 14 0px Verdana *Catalogue of the Collection of Japanese Prints: Hiroshige and the Utagawa school. Japanese prints, c. 1810-1860* Rijksmuseum (Netherlands).

Rijksprentenkabinet, 1984 *Catalogue of the Collection of Japanese Prints* Rijksmuseum (Netherlands).

Rijksprentenkabinet, 1977 **The Great Wave** Colta Feller Ives, 1974 After Admiral Perry broke through Japan s isolation in 1854 the current of Japanese trade flowed west again bearing with it the colored woodcuts of Hokusai Hiroshige and their

contemporaries Some of the most avid collectors of these prints were the French Impressionists and Nabis who found in them new ways to treat their own prints In *The Great Wave* Colta Feller Ives Curator in Charge Department of Prints and Photographs The Metropolitan Museum of Art recounts the phenomenal cult of Japan in late nineteenth century France and reveals through direct comparisons its particular impact on the graphic work of Manet Degas Cassatt Bonnard Vuillard Toulouse Lautrec and Gauguin

Cats in Ukiyo-E Pie Books, Kuniyoshi Utagawa, 2012-11-01 This is a collection of the work of Kuniyoshi's works that feature cats

Catland Sarah Archer, 2020-08-11 An irresistible and colorful celebration of Japan's thriving cat culture In Japan cats rule And the country's feline love affair is now a worldwide phenomenon From cat cafés and Hello Kitty to the familiar sight of a maneki-neko beckoning cat waving its paw from a shop window cat lovers all over the world are more immersed in Japan's cat culture than they may realize With charming storytelling *Catland* will introduce you to cats practicing to become monks a designer who makes cat costumes inspired by the fashions of 18th century France and skilled craftsmen who build pieces of fine furniture precisely scaled down to suit feline customers Packed with photographs works of art pop culture and folklore *Catland* is the perfect gift for the cat lover in your life
