Cavemen Chronicle Estonian Literature Mikhel:

Cavemen Chronicle Mikhel Mutt, 2015 This novel paints a fascinating portrait of bohemian culture in Estonia in the last quarter of the twentieth century. The cavemen in question are the regulars at the underground both literally and figuratively bar called The Cave including artists musicians writers and philosophers who escape the dreary Soviet reality above with vodka and high minded discussion in their secret hideaway. The arrival of national independence upsets the balance of these dissidents lifestyle and the narrator recounts how each individual adapts to their newfound freedom. *The Cavemen Chronicle* presents an illuminating and thrilling look into life on the fringes of Soviet culture both pre and post perestroika and is also a meditation on what it means to be an Estonian.

The Ghost of Rataskaevu Street Indrek Hargla, 2026-07-30 What links a prostitute a Flemish painter and a tower watchman All three claim to have seen a ghost on the same street in fifteenth century Tallinn. And all of them have been found dead soon after. Melchior Wakenstede apothecary is charged with unearthing the truth behind these seemingly supernatural murders. But when a pious and powerful merchant dies along with a castrated and disfigured tramp Melchior perceives a more medical connection between the deaths. Melchior must rise above the competing interests of merchant guilds religious orders and Teutonic knights to get to the bottom of the mystery.
