## **Catholic Prayers For Retiring Pastor:**

Minister's Prayer Book Mary Jane Haemig, Chris Halverson, Robb Harrell, 2020-02-04 Since it first appeared in print in 1959 John Doberstein's Minister's Prayer Book has been a devotional classic among Lutheran pastors. Written by a pastor for other pastors, Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry. The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection. Doberstein gathered as well as to his own pastoral acumen. Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers, there has been no attempt to bring fresh material to Doberstein's work. No attempt to update it for a new generation. Until now. This revised edition recognizes the increasingly diverse face of clergy. New resources, prayers, and readings written by women, people of color, and Christians from around the world give the collection a broader appeal. The beauty of the Minister's Prayer Book is its intentional re-centering of the pastor's calling on word and sacrament, on pastoral care, and on being fully present and engaged in the lives of God's people.

**Hispanic Methodists, Presbyterians, and Baptists in Texas** Paul Barton, 2010-01-01 The question of how one can be both Hispanic and Protestant has perplexed Mexican Americans in Texas ever since Anglo American Protestants began converting their Mexican Catholic neighbors early in the nineteenth century. Mexican American Protestants have faced the double challenge of being a religious minority within the larger Mexican American community and a cultural minority within their Protestant denominations. As they have negotiated and sought to reconcile these two worlds over nearly two centuries, los Protestantes have melded Anglo American Protestantism with Mexican American culture to create a truly indigenous, authentic, and empowering faith tradition in the Mexican American community. This book presents the first comparative history of Hispanic Methodists, Presbyterians, and Baptists in Texas. Covering a broad sweep from the 1830s to the 1990s, Paul Barton examines how Mexican American Protestant identities have formed and evolved as los Protestantes interacted with their two very different communities in the barrio and in the Protestant church. He looks at historical trends and events that affected Mexican American Protestant identity at different periods and discusses why and how shifts in los Protestantes' sense of identity occurred. His research highlights the fact that while Protestantism has traditionally served to assimilate Mexican Americans into the dominant U.S. society, it has also been transformed into a vehicle for expressing and transmitting Hispanic culture and heritage by its Mexican American adherents.

**Too Busy Not to Pray: Everyone Is Praying** Dr. Lawrence M. Ventline, 2019-12-30 Author and editor of this brief and common prayerbook, Dr. Lawrence Ventline believes that pastors need to teach what they know and do best: that is, how to pray. Others can manage parishes; he holds. While he learned to be a parochial administrator, Father Ventline savored serving people as a pastor. His prayers within prove his love of God and the people he served. His ties with the inter and intra-faith community foster inter-religious dialog and radiate his and others' lives of prayer. The book is filled with thoughts of

**The Jubilee Years** Bruce Epperly,2020-11-28 Taking inspiration from the Spanish word for retirement *jubilacion* veteran minister Bruce Epperly challenges and empowers clergy to see retirement as a celebration of new possibilities Similar in spirit to the Jubilee year described in scripture retirement can be a time of transformation and exploration of freedom to try on new versions of yourself and new paths of service In that spirit clergy can embrace creative transformation in their relationships neighborhoods religious communities and politics No longer tethered to the politics and administrative duties of congregational leadership they can now freely commit themselves to relational intellectual and spiritual growth They can also focus on personal community and planetary healing and transformation Retired clergy can become sages and wisdom givers sharing their insights and energy with seminarians and novice pastors congregations and communities Bringing together the fruits of conversations with more than 100 retired clergy theological reflection and spiritual practices this text provides a way forward for clergy considering retirement and retired clergy Based on interviews from persons from diverse denominations theological perspectives and ethnic and racial backgrounds this book garners wisdom from pastors on their retirement journeys from personal preparation and public announcement to first steps following retirement and long term adventures
