*BABOK V3 Revision Guide* Amit Lingarchani, Abhishek Srivastava, 2019-06-10 This book is authored with the intention of creating a quick revision guide for IIBA Business Analysis body of knowledge BABOK guide v3 0 for CBAP CCBA and ECBA certification preparation exam We have not written this guide as an alternative to BABOK v3 0 Instead it is written as a concise and summarised version of BABOK to help you in quick revision of BABOK What s more we have added revision exercises at the end of every chapter So How to use it This book should be used once you have gone through BABOK Going through the 500 pages again is difficult and time consuming This book allows you to revise quickly The book is a total of 300 pages with around 250 pages for BABOK summarised version 50% reduction and remaining 50 pages devoted to chapter wise exercises The guide is meant for professionals who are planning to undertake ECBA CCBA or CBAP certification examination This revision guide captures the key concepts definitions business analysis practices as mentioned in the BABOK guide To really understand the thought process behind this revision guide consider your university exam and the notes you used to create for every exam This is essentially a guide comprising of important notes For best results this revision guide must be picked up after you have gone through the BABOK guide once If you are planning for ECBA certification please read it keeping in mind the knowledge areas weightages applicable for ECBA

*CBAP CCBA Revision Guide* Amit Lingarchani, Abhishek Srivastava, 2020-07-09 It is our pleasure to present the second edition of this book The first edition was released couple of years back Since then we wanted to add several things to enable revision of BABOK more meaningful and quicker So here we are Our objective to write this book was to create a concise revision guide for Business Analysis Body of Knowledge BABOK guide v3 0 BABOK is a big book with around five hundred pages and revising BABOK can be cumbersome So how does it help you in revising One of the proven revision approaches is to create notes We conceptualised this revision guide as notes So the first edition was written as notes based on BABOK It simply summarised BABOK v3 and was much smaller than BABOK However we wanted to make

it more meaningful for all the readers So we have now added concept notes mock questions crosswords and matchmaking Most importantly we have added case studies in this book which are real life case studies Each case study explains the scenario and provides examples of the application of concepts Each case study also has questions for you to practice We have also added examples at the end of Techniques chapter The examples are added to help you see the real life usage of the technique It is added for selected techniques The guide is meant for professionals who are planning to undertake CCBA and CBAP certification examination This revision guide covers these BABOK chapters key concepts all the six Knowledge Areas Perspectives and all the 50 Techniques For the best results this revision guide must be picked up after you have gone through the BABOK guide once You will find all the key aspects of BABOK in this guide This means that you do not need to pick up BABOK again All the best for the your exam We will be happy to know your feedback *BABOK V3. 0 Flashcards* Richard Larson,Elizabeth Larson,2016-06-15 CCBA® and CBAP® Certifications Study Guide Esta Lessing,2020 A handy on the job reference filled with real life scenarios to help you achieve the Certified Business Analysis Professional CBAP and Certification of Capability in Business Analysis CCBA certifications Key Features Gain expert guidance from Esta Lessing a CBAP trainer with over 18 years of business analysis experience Understand BABOK knowledge areas and tasks through examples and real world scenarios Learn business analyst skills such as stakeholder engagement strategy analysis and requirement elicitation Book Description Certified Business Analysis Professional CBAP is a certification from the International Institute of Business Analysis IIBA for professionals with extensive experience in business analysis The CCBA and CBAP validates your proficiency in various aspects of business analysis and your ability to tackle challenging projects work effectively with stakeholders and identify and deliver business value You ll start by learning about the benefits of CCBA and CBAP certifications for your career progression before focussing on the six core knowledge areas explained thoroughly in each chapter These include topics such as business analysis planning and monitoring elicitation and collaboration requirements life cycle management strategy analysis requirements analysis and design definition as well as solution evaluation The book includes the essential underlying competencies and techniques to ensure a complete understanding of the BABOK v3 guide content Each chapter delves into the essential concepts and business analysis task considerations utilizing practical examples Finally you ll assess your knowledge through mock exam questions based on real world case studies By the end of this book you ll have gained the business analysis skills needed to prepare for the certification exams and to advance in your career What you will learn Assess the IIBA requirements for applying for the CCBA and CBAP exams Navigate through the sections of the BABOK v3 Guide Understand business analysis concepts practices and analysis techniques Be able to relate concepts tasks and techniques to real world practical situations Understand the application of 50 practical techniques concerning the BABOK v3 Guide knowledge area tasks Identify the challenges that could hinder a business analyst from delivering value and effective business solutions Who this book is for This book is for business analysts
