We have not written this guide as an alternative to BABOK v3.0. Instead it is written as a concise and summarised version of BABOK to help you in quick revision of BABOK. What's more we have added revision exercises at the end of every chapter. So How to use it? This book should be used once you have gone through BABOK. Going through the 500 pages again is difficult and time consuming. This book allows you to revise quickly. The book is a total of 300 pages with around 250 pages for BABOK summarised version 50% reduction and remaining 50 pages devoted to chapter wise exercises. The guide is meant for professionals who are planning to undertake ECBA CCBA or CBAP certification examination. This revision guide captures the key concepts definitions business analysis practices as mentioned in the BABOK guide. To really understand the thought process behind this revision guide consider your university exam and the notes you used to create for every exam. This is essentially a guide comprising of important notes. For best results this revision guide must be picked up after you have gone through the BABOK guide once. If you are planning for ECBA certification please read it keeping in mind the knowledge areas weightages applicable for ECBA.

**Breakthrough Business Analysis** Kathleen B. Hass, 2014-11-01 Traditional business analysis jobs are going away and are not coming back. BA tools are growing up and typical BA tasks are being automated and commoditized. Instead of being regarded as documenters BAs are being sought out to focus on strategy innovation and leadership. Breakthrough Business Analysis Implementing and Sustaining a Value Based Practice provides a framework for implementing a BA practice that is strategically positioned and value based. Realizing the positive impacts of a value based BA practice could very well mean the difference between success and failure for businesses negotiating 21st century challenges. Value based business analysis centers on strategy execution world class enterprise capabilities and delivery of innovative products and services. The framework for implementing and sustaining a value based BA practice involves three phases: 1. Readiness: Is our organization ready? 2. Implementation: How do we build the BA practice? 3. Sustainability: How do we institutionalize and continue to improve BA practices? Take the lead and be your organization's champion of a value based breakthrough BA practice that is focused on value to the customer and wealth to the bottom line.

**The Influencing Formula** Elizabeth Larson, Richard Larson, 2012-10-01 Today's global business environment is complex. Organizations find it a challenge to keep pace with rapid advancements. Business analysts, project managers, process analysts,

and other information workers have to influence various stakeholders regardless of their position in the organization. What makes this ability to influence without authority seem so easy for some and nearly impossible for others. Successful influencers have learned to be trusted advisors in their organizations. They employ three critical ingredients which the authors call the Influencing Formula. This book reveals how the Influencing Formula works and illustrates how it is the new mandate required to effectively influence without authority in any type of organization large or small. *CBAP V3*
