Aucella, Ed.D, Ph.D,2020-03-09 Predicting Success in Completing the Rite of Christian Initiation of Adults By Laurence F Aucella Ed D Ph D Predicting Success in Completing the Rite of Christian Initiation of Adults regards the process of RCIA the process by which one becomes a convert to the Roman Catholic Faith It also contains valuable history about Christianity and how it has evolved over the centuries that will aid in nourishing the faith and increased the knowledge of both new converts and life long Catholic This book is dedicated to the memory of Sister Dorilda Flynn of the Sisters of Saint Anne Anna Maria College    *From Truth and truth* Francis Etheredge,2016-04-26 The final book of this trilogy explores reason at work in the nature of faith cf Fides et Ratio 43 indeed although faith is of its nature different from reason faith cannot exist except through grace assisted reason Volume One briefly meditated on the metaphysics of meaning which entailed considering the intimate interrelationship of truth and existence In this volume however it becomes clear that there is an intrinsic complementarity in the very nature of created being a complementarity between the literal and spiritual sense of what exists Thus for example a seed is both what actually exists and at the same time it can adequately express the beginning of the supernatural life sown in the sacrament of Baptism This leads to an almost literary argument for there being a single cause of all creation in that there is an incredible coherence of meaning throughout the whole More specifically the book discusses various questions of a bioethical nature and more generally offers a radical investigation of the nature of man male and female for in a word the origin nature and action of the human person require constant reciprocal reflection Thus

there are various essays on different aspects of man male and female ranging from a consideration of God expressing the mystery of the Blessed Trinity through our participation in His own Being to the transition from a Jewish to a Christian understanding of marriage to a marital spirituality Finally faith in action ranges from being open to life to pilgrimages as a family and the slow but real discovery that there is a radical nature to our salvation in Christ that even if natural truth leads inexorably to the trembling outreaches of reason there is nevertheless a gratuitous Revelation which comes to meet and develop the life of us all
