Mathias D. Thelen,2017-12-07 It s almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament The result of this biblical study is a clarion call for the church to renew its faith in God s desire and power to confirm his word through healing As healing becomes more accepted and frequent in evangelization a Catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its Protestant counterpart is necessary This modest book fits this need [Israel's Prophets and the Prophetic Effect of Pope Francis](#) Michael Ufok Udoekpo,2018-07-11 Given that Pope Francis is a popular global religious leader and in the light of the lessons drawn from the nature meaning and functions of Israel s prophets this tripartite work historically pastorally and theologically examines whether and how Francis teaching visits outreach to the poor preaching and recent biblically based writings Lumen Fidei Evangelii Gaudium Amoris Laetitia
