Catholic Prophecy The Coming Chastisement:

Catholic Prophecy Yves Dupont,1970 **Catholic Prophecy** Yves Dupont,2014-07-25 Shortly after Vatican II many began to speculate that we might be in the end times and that prophecies were being fulfilled Some speculated that the Three Days of Darkness may be near or that Antichrist was already on earth Yves DUPONT assembled many prophecies including some that refer to a comet striking the earth With Comet Kahoutek in 1972 many thought this might be the one but it wasn t With the deterioration of morals in the world many believe that these prophetic days may be close **Catholic Prophecy** Yves Dupont-Fournieus,1973 [The Coming Chastisement](#) Pope Michael,2012-04-01 Many consider there will be a great event in 2012 because the Mayan calendar ends in December The Coming Chastisement and Why It Will Come was originally written in 1992 and updated recently to consider the chastisement God will soon punish us with for all of our sins Students of Catholic prophecy know that there will come an extremely evil time that will give birth to Antichrist Following this will come a great chastisement by Almighty God in the form of Three Days of Darkness In reviewing this work for republication evil has gotten far worse than it was when this was originally written almost two decades ago Also the original thoughts from Padre Pio have been found and reproduced at the end The original work was written and compiled in part to reproduce this information which was only remembered when this was originally written Several of the modern evils are considered such as some of the teachings of the Satanic Bible and the evils of modern music At the conclusion the various books on Catholic Prophecy are considered briefly to assist students of Catholic prophecy to find all that is available on this important subject It is hoped this will prove a useful tool for those who wish to prepare for the coming chastisement And there shall be great earthquakes in divers places and pestilences and famines and terrors from heaven and there shall be great signs Luke 21 11 In the past several years we have seen an increase in earthquakes and many other things that are predicted in Sacred Scripture Hurricane Katrina destroyed New Orleans Are we entering into the time foretold in the Apocalypse And what about the Three Days of Darkness predicted in Sacred Scripture and private prophecy For over a century we have been warned by Almighty God the Blessed Virgin Mary and by Jesus Church that the chastisement is coming For there shall be then great tribulation such as hath not been from the beginning of the world until now neither shall be Matthew 24 21 Today we see many great evils afflicting the world Someone observed that what people once considered a sin is no longer considered a sin In fact it is now an acceptable alternative lifestyle What is the cause of the evils of today What should we do to prepare ourselves for what is coming **Catholic Prophecy** Yves DuPont,1994-02 In our opinion this is the best book of prophecy in print Covers the Great Catholic Monarch the Holy Pope and the period before Antichrist with excellent excellent commentaries by Dupont It seems totally impossible that so many prophecies from various countries and different centuries should all speak about the same time and the same historical characters Shows the coalescing of Saints prophecies on our times and our immediate future 125 Pp PB **Antichrist and the End Times** Rev. Joseph Iannuzzi,

Perhaps no Christian prophecy carries with it the drama and intrigue than that of the coming of the Antichrist history's quintessential demonic tyrant His brief but terrible reign is to come at the climax of a spiritually dark age in man's history. Indeed the 20th century alone saw three popes comment on the appearance and rise of the Antichrist Pius X Paul VI and John Paul II fueling speculation that his reign was near. Today as the world sinks deeper into moral depravity and intellectual confusion talk of the Antichrist's rise again fills the air. Christian leaders believe this is because the signs of his coming heresy apostasy and iniquity have reached unparalleled levels. So is the coming of the Antichrist right around the corner? In this powerful book *Antichrist and the End Times* Fr Joseph Iannuzzi takes a hard look at this prophecy its history and the conditions necessary to bring about its fulfillment offering readers a unique glimpse at an eschatological mystery rooted in the Book of Revelation. This is a book you won't be able to put down.

The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church. Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years. His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church. The Last Pope examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last. Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries. By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy. The Last Pope seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity.
