

6. Why do you think the rescuers want Phillip to see a doctor? Why is Phillip surprised that they want him to see a doctor?
  
7. How is life different for Phillip when he returns to Willemstad—how have his relationships with the people changed?
  
8. Phillip says he will someday charter a boat to find the island. Why do you think he wants to do this?

### **Thinking About the Story:**

9. When Phillip is first rescued, he tells the captain of the ship his story. Why does Phillip think the Captain does not fully believe his story?
  
10. In Chapter 19, Phillip tries to tell his story to his parents:  
  
*I tried to tell them all about Timothy and the cay. But it was very difficult. They listened, of course, but I had the feeling that neither of them really understood what had happened on our cay.*

Do you think it is the events that had happened to him that Phillip's parents do not understand or the changes that have occurred inside of him? Why might they not understand?
