**Halfway to Better (Short Story Collection)** Susan Kaye Quinn, 2024-04-22 Halfway to Better is a collection of short solarpunk stories each exploring a near future where we're struggling to survive the climate crisis and build a better world. These hopeful climate fiction stories take you from the bottom of the sea to the towers of a bot-filled city from sparkling labs to flooded lighthouses all imagining futures halfway to a better world. The Halfway to Better collection contains six short stories plus a bonus prose poem Rewilding Indiana and its accompanying sky shanty. If you enjoyed the optimistic climate solutions in Kim Stanley Robinson's Ministry for the Future or the cozy cooperative future in Becky Chambers' Monk and Robot series you will enjoy Halfway to Better 1 Slimy Things Did Crawl 2 Tower Girls 3 Planting the Shell Bones 4 Tombs Without Bodies 5 The Day We Stopped Burning 6 I Came Home From Saving the Rainforest

### **The Routledge Companion to Latine Theatre and Performance** Noe Montez, Olga Sanchez Saltveit, 2024-02-29

The Routledge Companion to Latine Theatre and Performance traces how manifestations of Latine self-determination in contemporary US theatre and performance practices affirm the value of Latine life in a theatrical culture that has a legacy of misrepresentation and erasure. This collection draws on fifty interdisciplinary contributions written by some of the leading Latine theatre and performance scholars and practitioners in the United States to highlight evolving and recurring strategies of world-making activism and resistance taken by Latine culture makers to gain political agency on and off the stage. The project reveals the continued growth of Latine theatre and performance through chapters covering but not limited to playwriting, casting practices, representation training, wrestling with anti-Blackness and anti-Indigeneity, theatre for young audiences, community empowerment, and the market forces that govern the US theatre industry. This book enters conversations in performance studies, ethnic studies, American studies, and Latina/o/x studies by taking up performance scholar Diana Taylor's call to consider the ways that

embodied and performed acts generate record and transmit knowledge This collection is an essential resource for students scholars and theatremakers seeking to explore understand and advance the huge range and significance of Latine performance Introducing Sociology Using the Stuff of Everyday Life Josee Johnston,Kate Cairns,Shyon Baumann,2025-10-03

The challenges of teaching a successful introductory sociology course today demand materials very different from the norm It is a question of making the practice of sociological thinking meaningful rigorous and relevant to today s world of undergraduates This comparatively concise highly visual and engaging book offers a refreshingly new way forward to reach students using one of the most powerful tools in a sociologist s teaching arsenal the familiar stuff in students everyday lives throughout the world the jeans they wear to class the coffee they drink each morning or the phones their professors tell them to put away during lectures A focus on consumer culture seeing the strange in the familiar is not only interesting for students it is also the authors suggest pedagogically superior to more traditional approaches By engaging students through their stuff this book moves beyond teaching about sociology to helping instructors teach the practice of sociological thinking It moves beyond describing what sociology is so that students can practice what sociological thinking can do This pedagogy also posits a relationship between teacher and learner that is bi directional Many students feel a sense of authority in various areas of consumer culture and they often enjoy sharing their knowledge with fellow students and with their instructor Opening up the sociology classroom to discussion of these topics validates students expertise on their own life worlds Teachers in turn gain insight from the goods services and cultural expectations that shape students lives While innovative the book has been carefully crafted to make it as useful and flexible as possible for instructors aiming to build core sociological foundations in a single semester A map on pages xix xx identifies core sociological concepts covered so that a traditional syllabus as well as individual lectures can easily be maintained Theory method and active learning exercises in every chapter constantly encourage the sociological imagination as well as the doing of sociology This new edition is thoroughly revised and updated incorporating the latest research around material sociology culture and object oriented studies New teaching materials and illustrations are included Online resources to support teaching and learning include Videos flashcards quizzes and further reading Instructor s manual PowerPoints and test bank
