*Cultural Citizenship and Popular Culture* Joke Hermes, 2023-09-27 Written in an accessible and engaging style this book uses a series of case studies to show how popular media are important to us as a source of pleasure and entertainment but also in communicating about the world with others Social media platforms have changed how we talk about what we like and dislike in our popular media use Cultural citizenship shows how these discussions speak to belonging to what we feel our rights and responsibilities are in today's polarized world Cultural Citizenship and Popular Culture is

based on audience led research and does not privilege textual analysis as a starting point for taking popular media use as measure. Instead it offers research tools to listen to others. This book offers scholars and students of media and creative industries a means to understand their professional position as one in which they engage with rather than assume to know what users of popular cultural texts and products think and feel.

**Evangelical Christians and Popular Culture** Robert H. Woods Jr., 2013-01-09. This three volume collection demonstrates the depth and breadth of evangelical Christians' consumption, critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture, covering comic books to movies to social media. *Evangelical Christians and Popular Culture: Pop Goes the Gospel* addresses the full spectrum of evangelical media and popular culture offerings, even delving into lesser known forms of evangelical popular culture such as comic books, video games and theme parks. The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history, theology, music, psychology, journalism, film and television studies, advertising and public relations. Volume 1 examines film, radio and television and the Internet. Volume 2 covers literature, music, popular art and merchandise and Volume 3 discusses public figures, popular press, places and events. The work is intended for a scholarly audience but presents material in a student friendly, accessible manner. Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings, many of which will be unknown, while non-evangelical readers will benefit from a comprehensive introduction to the subject matter.

*The SAGE Handbook of Social Media Marketing* Annmarie Hanlon, Tracy L. Tuten, 2022-06-16. *A Colorful History of Popular Delusions* Robert E. Bartholomew, Peter Hassall, 2015-10-13 This eclectic history of unusual crowd behavior describes a rich assortment of mass phenomena ranging from the amusing and quirky to the shocking and deplorable What do fads crazes manias urban legends moral panics riots stampedes and other mass expressions of emotion have in common By creating a typology of such behavior past and present the authors show how common extraordinary group reactions to fear or excitement are And they offer insights into how these sometimes dangerous mob responses can be avoided We may not be surprised to read about the peculiarities of the European Middle Ages when superstition was commonplace like the meowing nuns of France tarantism a dancing mania in Italy or the malicious anti Semitic poison well scares But similar phenomena show up in our own era Examples include the social networking hysteria of 2012 which resulted in uncontrollable twitching by teenage girls in Leroy NY the phantom bus terrorist of 2004 in Vancouver Canada and the itching outbreak of 2000 in South Africa Vivid detailed and thoroughly researched this is a fascinating overview of collective human behavior in its many unusual forms

Trump's dramatic electoral victory. Attestation to the power of space technology Felix Babatunde Ale, 2016-12-13 Research Paper undergraduate from the year 2016 in the subject Communications Media and Politics Politic Communications language English abstract Twitter which is a product of Computer Science and Technology advancements improved the connenction between Donald Trump and the citizens of the United States of America in such a huge way The flexibility ease as well as the interactive capacity of Twitter as a social networking platform not only helped Donald Trump to build his brand as a potential presidential candidate but also established the most relevant platform where he could respond to any of the concerns of citizens in the most satisfactory way possible Notably the public is more connected to a person who reaches out to the people And Twitter to a large extent gave Donald Trump the possibility to reach out to the general public in a way that no other communication media could
