Post Apocalyptic Story Framework

RJ Alexander

Post Apocalyptic Story Framework:

Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We'll Not Go Home Again provides a framework for our fascination with the apocalyptic events. The popular appeal of the end of the world genre is clear in movies, novels, and television shows. Even our political debates over global warming, nuclear threats, and pandemic disease reflect a concern about the possibility of such events. This popular fascination is really a fascination with survival: how can we come out alive? And what would we do next? The end of the world is not about species death but about beginning again. This book uses postapocalyptic fiction as a terrain for thinking about the state of nature, the hypothetical fiction that is the driving force behind the social contract. The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian, a Lockean, or a Rousseauian lens, including *Lucifer's Hammer* by Larry Niven and Jerry Pournelle, *Alas Babylon* by Pat Frank, *Malevil* by Robert Merle, and *Into the Forest* by Jean Hegland. The latter half of the book examines Octavia Butler's postapocalyptic Parable series, in which a new kind of social contract emerges, one built on the fact of human dependence and vulnerability. [Narrative in Culture](#) Astrid Erll, Roy Sommer, 2019-07-08 The collection showcases new research in the field of cultural and historical narratology. Starting from the premise of the semantisation of narrative forms, *Narrative in Culture* explores the cultural situatedness and historical transformations of narrative, with contributors developing new perspectives on key concepts of cultural and historical narratology, such as unreliable narration and multiperspectivity. The volume introduces original approaches to the study of narrative in culture, highlighting its pivotal role for attention, memory, and resilience studies, and for the imagination of crises: the Anthropocene and the Post Apocalypse. Addressing both fictional and non-fictional narratives, individual essays analyze the narrative making and unmaking of Europe, Brexit, and the Postcolonial. Finally, the collection features new research on narrative in media culture, looking at the narrative logic of graphic novels, picture books, and new media. [Interactive Storytelling](#) Rogelio E. Cardona-Rivera, Anne Sullivan, R. Michael Young, 2019-11-12 This book constitutes the refereed proceedings of the 12th International Conference on Interactive Digital Storytelling (ICIDS 2019) held in Little Cottonwood Canyon, UT, USA, in November 2019. The 14 revised full papers and 10 short papers presented together with 19 posters, 1 demo, and 3 doctoral consortiums were carefully reviewed and selected from 66 submissions. The papers are organized in the following topical sections: Creating the Discipline, Interactive Digital Narrative Studies, Impacting Culture and Society, Interactive Digital Narrative Practices and Applications, Theoretical Foundations, Technologies, Human Factors, Doctoral Consortium, and Demonstrations. [Creative Writing For Dummies](#) Maggie Hamand, 2012-01-24 Unlock your creativity and choose the genre of writing that suits you best. Do you have an idea that you're burning to get down on paper? Do you want to document your travels to far-flung places or write a few stanzas of poetry?
