Filterworld Kyle Chayka,2024-01-23 The story told here is instrumental to your own Jared Lanier Timely erudite important Ayad Akhtar What happens when our cultural and artistic lives are dictated to us by an algorithm What does it mean when shareability supersedes innovation How can we make a choice when the options have been so carefully arranged for us From coffee shops to city grids to TikTok

feeds and Netflix homepages the world over algorithmic recommendations prescribe our experiences This network of mathematically determined choices the Filterworld has taken over almost unnoticed as we've grown accustomed to an insipid new normal But to have our tastes behaviours and emotions governed by computers calls the very notion of free will into question Internationally recognized journalist and New Yorker staff writer Kyle Chayka journeys through this ever tightening web woven by algorithms He explores how online and offline spaces alike have been engineered for seamless consumption How the lowest common denominator is promoted at the expense of the complex diverse or challenging How users of technology contend with data driven equations that promise to anticipate their desires but often get them wrong How the Filterworld is determining the very shape of culture itself Chayka skilfully and compellingly traces this creeping machine guided curation that influences not just what culture we consume but what culture is produced In doing so he attempts to answer to the most urgent question currently facing us is personal freedom ever again possible on the Internet Filterworld is a fascinating history of the rise of the algorithm and an important investigation into where it could take us next if we let it

Carbon Capture and Storage in the United Kingdom Marc Hudson, 2024-03-27 This book is a concise but comprehensive guide to the history present and possible futures of carbon capture and storage policy and action in the United Kingdom UK There have been multiple failed starts promises and last chances for carbon capture and storage CCS in Europe North America China and Australia but thus far it has repeatedly collided with the political and economic realities that the technology is too expensive and complicated to gain and keep policymakers support However in the UK that might be changing with explicit government support for CCS to help decarbonise industry Set within the broader context of global interest in CCS this book first outlines the technologies involved in the types of capture technology transport options and storage options in the UK It then briefly introduces an overarching policy analysis framework John Kingdon's multiple streams approach and uses it to give an account of the long history of CCS interest and efforts in three chapters covering the 1970s to 2002 2003 to 2015 and 2016 to the present day Marc Hudson focusses on the various arguments made for the introduction of CCS and the slowly shifting coalitions of actors who make those arguments while contrasting these with the perspectives of those opposed to CCS This book will be of great interest to students scholars and policymakers researching and working in the field as well as the related areas of energy policy energy transitions and climate change

Global Innovations in Physical Education and Health Garcia, Manuel B., 2024-10-31 Addressing the worldwide crisis of inadequate physical education PE programs requires immediate attention. Despite the advocacy of international organizations like UNESCO and WHO, there still needs to be a significant gap in understanding the effectiveness of PE initiatives globally. Cultural, socio-economic, and policy differences further complicate evaluating and improving these programs. More comprehensive research is needed to promote academic achievement, well-being, and overall health. This is where *Global Innovations in Physical Education and Health* comes in, a groundbreaking solution poised to revolutionize PE on a global scale. This innovative book serves as a beacon of hope by exploring diverse teaching strategies and creative methods worldwide. Bridging critical research gaps empowers policymakers, educators, researchers, administrators, and health professionals with actionable insights to enhance the quality and inclusivity of PE programs. With its comprehensive coverage of topics such as adaptive PE, nutritional education, and global health initiatives, this book provides a roadmap for transforming PE into a catalyst for holistic health and lifelong well-being.

Witchcraft Jennie Woodard, 2025-08-28 From fairy tales and fiction to TikTok, the specter of the witch has cast a long shadow over women and popular culture. *Witchcraft: Gendered Perspectives* traces the history of and evolution of the term 'witch' across six centuries. Tracing the history of witchcraft from the publication of the *Malleus Maleficarum* to its contemporary representation and reclamation, this volume takes a gendered and intersectional approach to the cultural and historical shifts which have both demonized and democratized the witch online and in public discourse. Amongst these are The witch trials in Scotland, England, and America. Literary and screen representations of the witch. The rise of Wicca as an alternative religion. *Witchcraft: Gendered Perspectives* is an invaluable resource for graduate and undergraduate students across gender studies, queer history, religious studies, media studies, and European and North American history.

What a Way to Go Bella Mackie, 2025-10-07 Instant Sunday Times Bestseller. Wonderfully wicked. Red Magazine. A gleeful satire. Sunday Times. Ferociously entertaining. Good Housekeeping UK. With the bite of *The White Lotus* and the family dynamics of *Succession*, *What a Way to Go* is an uproarious and satirical whodunnit about people behaving badly and perhaps finally getting their just deserts from the author of the mega bestseller *How to Kill Your Family*. When Anthony Wistern died, he expected his family to make a bit more of a fuss about it. Especially after he'd died in such dramatic fashion, skewered by an exorbitantly expensive party decoration in the private lake of his Cotswold s manor house at his sixtieth birthday party, surrounded by the people for whom he most loved flaunting his wealth. And now even death has disappointed him instead of Heaven or Hell or an empty

void Anthony's soul is stuck in a strange kind of purgatory while he tries to figure out who killed him before he is finally released from this interminably exasperating waiting room. Olivia Wistern knows she should probably try to appear at least a little upset about her husband's death but she honestly can't be bothered. As usual he's left behind an unbelievable mess financially, socially, personally that she's going to have to clean up. Their four grown children will be of absolutely no help. She shouldn't have let them become so hopelessly spoiled. And is it just her or are the police and their murder investigation intentionally getting underfoot? There's no shortage of people who hated Anthony so can't they look for a killer somewhere other than her house? While the Wisterns are more concerned about the fate of their money than the fate of their patriarch, one internet sleuth is highly interested in Anthony Wistern's death. She isn't about to let the opportunity to create a sure to be smash true crime podcast pass by, not when the murder was committed mere yards away and not when she has her own history with the victim. She'll make her name and her own fortune off Anthony's death one way or another, whatever it takes.

Breaking Free from TikTok Addiction Starlife Aeoo, 2025-04-16 Are you scrolling your life away? You're not alone and this book is for you. *Breaking Free from TikTok Addiction* is not just another self-help guide. It's a raw personal story of how I got trapped in the endless scroll, chasing likes, trends, and fleeting validation, and how I finally broke free. I know what it's like to wake up reaching for your phone to measure your worth by views and comments, and to lose hours, days, doing nothing. I also know what it feels like to wake up one day and realize this isn't the life I want. This book shares my journey from obsession to freedom, from burnout to purpose. Through honest reflections, real-life moments, and practical steps, I open up about the emotional rollercoaster of social media addiction and the healing that followed. If you've ever felt stuck, numb, or like TikTok is controlling more of your life than you'd like to admit, this book will speak to you. Whether you want to cut back, take a break, or quit for good, you'll find hope and guidance in these pages. This is not about judgment. It's about freedom. Let's take back our time, our focus, our peace together.

TikTok for Sales Josué Matos, In the ever-evolving digital landscape where trends shift at the speed of a click, few platforms have reshaped the sales and marketing game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers. Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume, *Instagram for Sales: Strategies to Convert Followers into Customers*, focused on a well-established platform known for its visual and interactive appeal, this book dives into a dynamic and opportunity-rich terrain. *TikTok for Sales: Viral Strategies for Growth and Conversion* is an essential guide for anyone looking to harness the viral power of TikTok, transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways. Through trends, challenges, short videos, or live streams, TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book, I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josué Matos, author of over 50 books including *Rich Uncle Poor Nephews* and *The Art of Reinvention*. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a new era of sales on TikTok. Together, let's explore this dynamic platform and take your business to the next level.
