Christina Lauren, New York Times bestselling author of **The Paradise Problem** Ingrid Dahl is a cheerful twenty nine year old librarian living in the cosy mountain town of Ridgetop. She and her boyfriend since college Cory have never discussed marriage they're perfectly happy with the way things are. But when Ingrid's sister announces her engagement to a woman she's only been dating for two years Ingrid and Cory suddenly feel pressured to start thinking about the inevitable marriage and kids. The thing is neither of them has ever been with anyone else. Shouldn't they sow their oats before settling down? They make the unorthodox decision to separate for a month to date other people assuming that at the end of it they'll reunite and start planning their nuptials. And Ingrid has the perfect man in mind for this relationship sabbatical Macon Nowakowski her cantankerous and completely adorable coworker for whom she's had a crush for years. But of course the best laid plans often go awry and when Ingrid and Cory meet at the end of the month to resume next steps in their relationship it's clear neither of them is ready to get back together. **Overdue** is a beautifully human love story my favorite Stephanie Perkins book yet. Dandelion Throne Paige Suzanne Patno,2024 When I decided to write a fantasy romance or romantasy novel I knew it would be important to focus on what makes this novel different from others in the genre In today s leisure reading climate there is a plethora of content available to consumers usually in the form of accessible and self published titles With the oversaturation of publications in the genre Dandelion Throne has required that I be vigilant of my content to ensure I m contributing something new to the genre There are several common practices in fantasy writing I want

to challenge in Dandelion Throne so I selected several touchstone pieces to draw inspiration from and or challenge when outlining and writing the novel As a writer it is important to pay attention to what books are popular in the genre I am writing Because of this I wanted to use Sarah J Maas A Court of Thorns and Roses series or ACOTAR as one of my touchstones I enjoy reading these novels but I also find glaring issues in the content that I wanted to challenge in Dandelion Throne I also decided to use Erika Johansen s Queen of the Tearling trilogy as another touchstone because her protagonist is well developed well written and would serve me well for inspiration writing a royal character Johansen s series manages to be both politically charged and accessible reading I admire the protagonist s keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist s place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable **The Palace of Lost Memories: After The Rift, Book 1** C.J.
