

# Comparing Two Poems

## Underface

By Shel Silverstein (2011)

Underneath my outside face  
There's a face that none can see  
A little less smiley,  
A little less sure,  
But a whole lot more like me.

### Notes:

This poem is about having a "face" that we put on in front of people that is not really a true representation of ourselves.

### Notes:

This poem is about two people who put on a mask to cover up who they really are, but what they don't know is that underneath those masks they are actually the same.

## Masks

By Shel Silverstein

She had blue skin,  
And so did he.  
He kept it hid  
And so did she.  
They searched for blue  
Their whole life through,  
Then passed right by—  
And never knew.

Comparison: Both of these poems talk about having some sort of mask on that covers who we really are. The author is trying to tell the audience that they should not cover up their real selves. We should just be happy with who we truly are.

## Comparing Two Poems 6th Grade:

Text-Dependent Questions, Grades 6-12 Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02 Fisher Frey's answer to close and critical reading No doubt since the cave paintings of prehistoric times humans have asked questions to make sense of the message So what could possibly be new about posing questions about text Plenty and with TDQ Doug Fisher and Nancy Frey reveal it all After one quick read you will have learned all the very best ways to use text dependent questions as scaffolds during close reading and the big understandings they can yield especially when executed the Fisher and Frey way But that's just for starters Fisher and Frey also include illustrative video actual texts and questions examples from across content areas and an online professional learning guide making the two volumes of TDQ a potent professional development tool across all of K 12 The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways that help teachers organize the journey through a text and frame an extended discussion around it Step by step this approach ensures that in every close reading lesson students are guided to consider explicit and implied meanings and deeply analyze and appreciate various aspects of a text especially those that may be challenging or confusing Here's how the four inter related processes play out with every why and every how answered What does the text say general understandings and key details How does the text work vocabulary structure and author's craft What does the text mean logical inferences and intertextual connections What does the text inspire you to do write investigate present debate The cool thing These questions ignite students engagement and discussion because they strategically lead students to a place of understanding where explicit and implied meanings and interpretations can be debated Far from being overly literal or teacher led the questioning framework Fisher and Frey advance enhances the quality of student talk and idea generation All in all there's no better resource to cultivate students capacity for independent reading and incisive thinking Longtime collaborators and recipients of numerous teaching and leadership awards DOUGLAS FISHER and NANCY FREY are Professors of Educational Leadership at San Diego State University as well as teacher leaders at Health Sciences High Middle College

Common Core Standards and English Language Arts Grades 6 -12: Strategies for Student Success Toby Karten, 2013-01-01 The tri fold laminated reference guide Common Core Standards English Language Arts Strategies for Student Success Grades 6 12 by Toby Karten presents an at a glance overview of the CCSS for English

Language Arts ELA for students in grades 6-12. It is intended to help middle and high school teachers understand the organization and application of the standards for diverse students including those with special needs. Topics covered in the guide include Challenges of the cross disciplinary design of CCSS for ELA at the secondary level, College and career readiness CCR, CCR anchor standards for reading literature RL and informational text RI, CCR anchor standards for writing W, CCR anchor standards for speaking and listening SL, CCR anchor standards for language L, Differentiating instruction for students at different reading levels, Models for measuring and evaluating text complexity, Strategies for helping students with disabilities achieve ELA standards. The CCSS for ELA raise the bar to ensure students master the reading, writing, speaking and listening and language skills they need to be college and career ready in literacy. They will yield effective outcomes for all students including those with disabilities if educators creatively and consistently embrace them and connect them to all of their students.

*Writer's Choice Composition Practice Grade 8* McGraw-Hill Staff, 2000-09      **A Life with Poetry** Joan Peskin, David I. Hanauer, 2023-02-22. This volume examines the development of poetic literacy including the specific processes used by expert poetry readers and professional poets. In doing so it provides a much needed synthesis of research findings across diverse domains such as human development, the scientific study of literature, cognitive psychology, neuroscience, psycholinguistics and education. An important feature of the book is its exploration of the new and relatively unexplored area of research on the development of poetic writing. Both theoretical and practical, the volume will be of interest to researchers as well as educators. The detailed explication of expert knowledge and the trajectory through which relative novices become relative experts should allow educators to make evidence based decisions. Valuable guidelines for developmentally appropriate practice in pedagogical settings are provided to better optimize learning and inspire students from preschool to graduate school and beyond.
