[Handbook of Teaching Competency Development in Higher Education](#) Jiangang Cheng, Wei Han, Qian Zhou, Shuyan Wang, 2023-10-30 This is an open access book. It draws from relevant theories and approaches to teachers professional development TPD and innovative and inspiring TPD practices in higher education. It first lays a solid foundation for the rest of the book through critiquing prevalent theories, approaches and teaching competency frameworks guiding TPD in higher education and defining the key concepts related to TPD. The book then develops a standard framework and assessment instrument of teaching competencies as well as ways of using this framework by institutions, departments at different levels and individual teachers. It also proposes strategies for improving teachers teaching competencies by reviewing what has been achieved to date in TPD in terms of national level policies and strategies, institutional level interventions and teachers self-directed professional development. Finally, it also presents case studies of typical practices in TPD in different countries.
