A 5-STEP DAY PLANNER

right priorities.

1. **Set your priorities**

what's most important to your business.
2. **Communicate priorities**  
Share your priorities with your team. Make  
sure everyone is on the same page. This  
will help you stay focused and efficient.

## STEP 3

### FOCUS ON RESULTS.

As an entrepreneur, you're often faced with the idea of constantly re-inventing  
yourself. That's because it's your responsibility to make sure that your  
business continues to grow and succeed. But it's also important to make sure that your  
entrepreneurial goals are aligned with your personal goals and that your business  
is growing, making money, and making a difference.

#### Key focus areas:

Key focus areas include the focus on output, the focus on results, the focus on growth,  
the focus on efficiency, the focus on communication, the focus on prioritization,  
the focus on accountability, the focus on personal development, and the focus on  
the future.

The Pareto Principle, also known as the 80/20 rule, is based on the idea of getting the most  
out of the least. It's often used in business to refer to the concept of the 80/20 rule, which means that  
80% of the work is done by 20% of the people. This is the concept of the 80/20 rule, which means that  
80% of the work is done by 20% of the people.

It's important to remember that the 80/20 rule applies to all areas of your business,  
not just productivity. It's all about focus. That's why it's important to focus on the growth of  
your business.
