Read each story and decide what the cause was.

Today was the last day of school before spring break. The students in Ms. Rosa's third grade classroom were very excited. Ms. Rosa was trying to teach a math lesson but her students were not paying attention. Students were drawing on their papers and talking to each other. Ms. Rosa gave warnings but eventually they lost 5 minutes of recess.

*What caused the class to lose recess time?*

- a. They were not listening to their teacher.
- b. They chose to miss recess to watch a movie.
- c. They had to finish their science homework.

The last show was finally over. The students at Miller Elementary had worked so hard on their spring play. Annie. They had done three shows and each one had gotten great reviews. Putting on the play had been a lot of work. They had to practice every week, find costumes and paint the props. But in the end it was worth it! The entire auditorium was filled with cheers and applause.

*What caused the audience to cheer?*

- a. The play was over and they did not like it.
- b. They enjoyed the play and were cheering for the cast.
- c. They were happy the boring play was over.
