**Features & Downsides** Jose Fadul, 2012-10-26 The book features social network analysis of the author's live rated online chess games with various players including high and middle strength computer software from different time zones and cultures around the world. For most of them, the social features and downsides of real time online chess were investigated and documented, including social magnetism, gambling, anonymity, and use of pseudonyms, nationalism, Lesbian, Gay, Bisexual, Transgender, LGBT issues, Islamophobia, and social stratification and mobility. The accompanying game annotations and post game discussions mainly dwell on responsible participation and civil discourse using live online chess games as medium. Online chess has become a test case for us as an international transnational group to think about how we can live in a socially differentiated society where its members subscribe to a plurality of forms of knowledge arising from considerably different environments, experiences, and genetic makeup. *The Everything Chess Basics Book* Peter Kurzdorfer, US Chess Federation, 2003-07-01 If you're looking to learn about the game of chess and win, *The Everything Chess Basics Book* provides you with the perfect introduction.
