Shakespeare and His Collaborators Over the Centuries Pavel Drábek,Klára Kolinská,Matthew Nicholls,2008 This book presents a series of essays exploring the cultural notion that has come to be known as oeShakespeare Shakespeare s collaborators are not only those who were his contemporaries but also those who have given new life to his works in a new garb be it a play a theatre production a film a TV play a novel a museum item or a collection of illustrated strips The collection presents papers given at an international conference entitled Shakespeare and His Collaborators over the Centuries which took place at the Faculty of Arts Masaryk University Brno Czech Republic on February 8 11 2006 The

individual contributions deal with the notion of collaborating with Shakespeare both in a literal as well as figurative sense. The essays in the first section discuss the literary and cultural milieus which were conducive to the creation of Shakespeare's works. The second part discusses early adaptations and variants of Shakespeare's plays while the third section offers a broader range of artistic as well as idolatrous repercussions of the Shakespearean canon.
