

**Graduation Speech – Class of 2015  
Saint Xavier High School - May 17, 2015**

**Graduates:**

**Welcome to this Day and to the meaning behind the dignity of this ceremony as you join the ranks of Saint Xavier's alumni.**

**You have been school leaders at an historical time as we concluded the celebration of the school's 150<sup>th</sup> Anniversary. Reflect for a moment on that history, on those who have gone before you, developing the philosophy, programs and facilities and paving the way for the opportunities you have had and the experiences we have shared. Soon it will be your responsibility to ensure a St. X experience for other students and that such opportunities are there and even better for them.**

**Then reflect one more time on our theme for the year:**

***Together, we dream, we believe and we achieve.*** Those who walked the halls, took the classes and were part of the teams and activities before you continued to dream, developing a vision for what St. X has become and achieving in ways that propelled our school forward. And all along the way, they believed faithfully that God would walk with them and provide even more opportunities to learn, know, love and serve.

**You have continued the traditions, stretched the vision and walked together in faith in all that we have asked you to do.**

*Just Dope* Allison Margolin, 2022-08-30 For readers of *Dopesick* and *In the Realm of Hungry Ghosts* a celebrated cannabis attorney's personal look at the War on Drugs and what comes next for the drug legalization movement Getting high is something most of us do and in many cases do safely yet drugs remain a singular public enemy In a ranging blend of memoir pop culture policy critique and social analysis LA based criminal defense attorney Allison Margolin explores why and what we can do about it Informed by Margolin's experiences as a drug user advocate and the daughter of California's most renowned and infamous cannabis attorney *Just Dope* offers a look at where our current drug policy fails It exposes the true history of drug prohibition in the United States sharing why it started how it evolved and where it stands now And it looks unflinchingly at the false dichotomy between good drugs and bad drugs and Margolin's experience with programs like D A R E that misguidedly ask you to Just Say No For readers of *All Day is a Long Time* and *In the Realm of Hungry Ghosts* *Just Dope* is an experiential tour de force of personal essay and whip smart policy critique and a vital call to knowledge and action

Oversight Hearing on Drug Abuse Education Programs United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education, 1991 *DARE to Say No* Max Felker-Kantor, 2024-04-02 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality **The**
