Gary Hardwick, 2024-06-13 Luther Green is the very best at what he does But the mastery of his profession is nothing he can brag about It s nothing for which he will ever be officially recognized and it will never earn him a large paycheck But there is a high likelihood that Luther s proficiency at his job will get him killed Luther Green is a government assassin For more than a decade he has traveled the world surgically eliminating America s enemies never questioning his orders while performing as reliably as death itself But his new assignment threatens to change all that Luther s superiors have designated his new target as Alex Deavers the agent who taught Luther everything he knows and a man now considered to be a rogue agent on the edge of insanity For Luther a man normally more concerned with determining the how of an assignment than the why his new duty forces him to confront questions he s never before had to consider Why is he being sent to kill someone on American soil when all of his previous assignments were done abroad Why doesn t his agency notify the FBI Perhaps most
