Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl's phonics programme, which is divided into Levels, and other schools follow other schemes of work, where you will need to find the right resources to align with the phonics from the DfE Letters and Sounds framework.

These resources are designed to be used as a starting point as you could use this as a starting point, or as an addition to another programme to consolidate words. If an adult is supporting a child with their phonics, it is important that they are confident with the resources and will answer any questions that the child has, by confidently referring through the PowerPoint.
