Sherwood Anderson's Secret Love Letters Sherwood Anderson, Ray Lewis White, 1999-03-01 In 1927 tired of the literary life of New York City New Orleans and Chicago a famous but aging American writer named Sherwood Anderson 1876 1941 author of *Winesburg Ohio* 1919 and other short stories in which he virtually invented the modern American short story moved to rural Southwest Virginia to write for and edit two small town weekly newspaper that he owned the Marion Democrat and the Smyth County News Living again among the small town figures with whom he was usually most content William Faulkner Thomas Wolfe and indeed an entire generation of the greatest American writers worked for several years at making his newspaper nationally famous while struggling to come to terms with a life threatening psychological depression and a failing third marriage Both of Anderson's midlife problems were complicated when he met Eleanor Copenhaver lovely young daughter in one of the prominent first families of Marion and a career social worker for the YWCA Trying to keep their ardent affair secret in the small town Anderson avidly courted the socially prominent and much younger Miss Copenhaver while at the same time trying to free himself from his embittered third wife and overcome the disadvantages of his age and his lover's family's distrust of him Having by the end of 1931 continued for three years his surreptitious and consuming affair with Miss Copenhaver Anderson determined on the first day of 1932 that the new year should be the year of decisions for him to gain his love in marriage or perhaps to end his life and he began the new year with a creative venture unique in literature Starting on January 1 Anderson secretly wrote and hid away for Eleanor Copenhaver to find after his eventual death one letter each day letters that she should someday discover whether they had ever become married or not and thereby relive in her memory their days of intense lovemaking a mutual despair about their then unlikely marriage Found by Eleanor Copenhaver Anderson only at Sherwood Anderson's death in 1941 and then preserved intact by this grieving widow who had married Anderson in 1933 the carefully hidden letters of 1932 recording their intense and seemingly doomed love affair have remained secret until now Chosen by Eleanor Copenhaver Anderson before her death in 1985 to publish her husband's secret love letters Anderson scholar Ray Lewis White has prepared a

Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies *Allure*, 2002 *In Search of Shangri-La* Bernard Jensen, 1989
