**The Making Sense of Politics, Media, and Law** Gary Watt, 2023-04-13 From Trump's make America great again to Johnson's build back better performative politicians use The Making Sense to persuade their public audiences Law makers do it too A courtroom trial is a truth factory in which facts are not found but forged The court of popular opinion is another such factory though its processes are often flawed and its products faulty Where courts of law aim to make civil peace trial by Twitter makes civil strife Even in mainstream media journalists make news for public consumption so that all news is to an extent fake news In a world of making how can we separate craft from craftiness With insights from disciplines including law politics rhetoric media studies psychology sociology marketing and performance studies The Making Sense of Politics Media and Law offers a constructive way to approach controversies from transgender identity to cancel culture This title is also available as open access on Cambridge Core

*The Latinx Files* Matthew David Goodwin, 2021-05-14 In *The Latinx Files* Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination The works discussed in this book including those of H G Wells Gloria Anzaldá Junot Diaz Andrés Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens that function as a source of either enlightenment or horror for Latinx communities Throughout this nuanced analysis *The Latinx Files* demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists

**The Stone and the Wireless** Shaoling Ma, 2021-05-03 In the final decades of the Manchu Qing dynasty in China technologies such as the phonograph telephone telegraph and photography were both new and foreign In *The Stone and the Wireless* Shaoling Ma analyzes diplomatic diaries early science fiction feminist poetry photography telegrams and other archival texts and shows how writers intellectuals reformers and revolutionaries theorized what media does despite

lacking a vocabulary to do so Media defines the dynamics between technologies and their social or cultural forms between devices or communicative processes and their representations in texts and images More than simply reexamining late Qing China's political upheavals and modernizing energies through the lens of media Ma shows that a new culture of mediation was helping to shape the very distinctions between politics gender dynamics economics and science and technology Ma contends that mediation lies not only at the heart of Chinese media history but of media history writ large
