The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over, choose the right series structure for your genre, audience, and goals, build book-level arcs that serve a bigger long-form story, decide between saga, episodic, or hybrid models with confidence, track character growth, worldbuilding, and continuity without overwhelm, balance creativity with strategy without killing your spark, finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Curse of the Blood Queen Jm Lee, 2024-12-13 Centuries after a warrior queen is defeated in battle, Winifred Fox will learn that even Death itself cannot stop a mother's rage. It's been two years since Winnie left the safety of her lavish family estate. Between betrayal and heartbreak, London's lower-class housing in Bethnal Green continues to prove that it's no place for a young lady in 1871. A string of violent crimes brings a grieving mother to her doorstep, pleading for a chance. Underestimating the power of the woman's remorse, Winnie accidentally summons the vengeful spirit of an ancient warrior queen. This entity has a score to settle and powerful dark magic that fuels her ruthless path of retribution. History will repeat itself unless Winnie can stop it in time.
