

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Welcome to Creative Writing Prompts for Children. We hope this book will inspire you to write and explore new worlds. You will have the chance to write poems, be your own reporter, write and draw comics, and so much more. There are no rules for this book. There is plenty of space in to write, but you can also write on a computer or your own paper. You can start at the back, the front, or in the middle. If you don't feel inspired by a prompt, make one of your own. Tell your friends about Creative Writing Prompts too.

Some terms to help you out:

- Fiction:** Anything that you write that is not true. A made-up story.
- Nonfiction:** Anything that you write that is true. This is about something that really did happen.
- Fan Fiction:** Writing in which you take characters that other people have written and imagine them saying and doing things that are normal for their character to do.
- Flash Fiction:** A made-up story that is very short, usually fewer than 500 words.
- Syllable:** The number of beats a mouth full of words. So, for example, the word "Syllable" has 3 syllables. "Lamp" has only one. You clap when saying "lamp" and it is only one beat. "Video Game" has 4. If this is still confusing, try to use a YouTube video that explains it.

We hope you are inspired to write amazing stories, poems, and comics.

- You blow out your birthday candles and make a wish. Immediately the wish comes true. What did you wish for? What happens? Your dad is a scientist. One of his top secret projects is to bring the dinosaurs back to life. He's brought a baby dinosaur home from the lab. How do you look after it? What type of transportation will people have in the future? A strange little door appears in your bedroom. You can squeeze through the door if you try. What do you find on the other side?

Writing prompts include interesting story starters, but also would you rather questions like "would you rather be able to fly or be incredibly strong" and persuasive essay topics to improve debating skills.
