**Learning but Better! Digital Education instead of Memory Training** Simone Janson,2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because our education system urgently needs to be rethought In the rapid digital transformation it is increasingly reaching its limits and not only because of its outdated technical equipment Knowledge is still imparted

primarily via frontal instruction interactive communication methods and techniques are hardly taken into account Digital learning also known as blended learning requires a special degree of personal responsibility with the need to organize and motivate oneself completely independently Anyone who wants to learn effectively online should also know how our brain works in conjunction with digital tools and what to look out for in virtual learning This book therefore shows how we can use digital tools in a targeted manner to absorb the necessary information and thus increase knowledge in the long term and how our education system would have to be changed accordingly Good luck and have fun reading Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freely available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany's most bloggers on success **The Time for Winners - Mindfulness, no Struggle** Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because achieving your own goals is not always easy in hectic everyday life Intrinsic motivation helps to put one's own focus on what is really important and essential and to face resistance in a resilient manner When it comes to working efficiently and productively

and putting plans into action even if unforeseen events get in the way of the plan it is important to evaluate new unforeseen situations as objectively and without fear as possible and to learn what can be done better for the future This is where good time management mindfulness and resilience help to overcome difficulties without fear and to achieve personal success This book shows how to do that Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freely available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany's most bloggers on success **Emotional Intelligence** Jessica Greiner, 2018-06-30 Would you be interested in a skill that helps you know what other people are thinking and feeling even if they aren't really sure of it themselves The fact is that the people who tend to be the most successful in life aren't those who are the strongest or the smartest But they are the ones who can use their natural charisma to manipulate interpersonal relationships while at the same time reliably keeping their emotions in check so they are free to make the most profitable choices in any given situation The secret to these people's success is what is known as emotional intelligence and if you haven't heard of it yet rest assured that is going to change sooner than later as it is one of the most prized traits that many employers are looking for in their employees these days If you are looking for ways to ensure you keep up with the modern job market then Emotional Intelligence A Step by Step Guide to Improving Your EQ Controlling Your Emotions and Understanding Your Relationships is the book you have been waiting for Grab your copy today and learn

What are the key elements of emotional intelligence How emotional intelligence allows you to make better decisions in your daily life How to achieve greater success in your personal and professional life The secrets of building more rewarding and fulfilling social relationships Proven strategies for developing greater self awareness The eight EQ mistakes you must know to get your EQ to the place where you would like it to be LOTS of practical exercises to regulate your own emotions And much more While traditionally not as publicized as intellectual intelligence emotional intelligence is what makes it possible for those who have it to successfully connect with others productively make the correct life decision in a pinch and generally create positive action out of simple intentions The level of emotional intelligence that you have also made it easier to understand what others are thinking and feeling more easily So what are you waiting for Maximize your full potential by unlocking the power of your emotional intelligence and scroll up to click the buy now button *Digital Detox* Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because even if Internet and social media are today firm component of our life it is worthwhile itself again and again to question this matter of course also To switch off simply times from all medialen influences does head and soul infinitely well Often even small changes in life such as regular sports mindfulness training or meditation are enough to significantly slow down everyday life Digital Detox at least temporarily is therefore an aspect that everyone should think about from time to time This book shows how to go about it Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freely available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity

and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany's most bloggers on success **The Emotional Intelligence Workbook** Brenden Whelehan, 2021 How would you like the ability to have complete control of your life To intentionally set yourself up for happiness and success while deliberately removing stressors from your life To understand your emotions and master your responses To correctly feel the mood of any room then instantly react To build rock solid relationships that stand strong during stormy weather To motivate and inspire those around you To not just survive but to thrive Emotional intelligence is the secret to having all of this and so much more This workbook will take you through each section of Emotional Intelligence Self Awareness Self management Social Awareness Relationship management And teach you exactly how to develop each skill Some skills you will learn are How to set goals that you'll actually accomplish Define your values and align your life accordingly How to clear your mind so you can use its full power Control over your triggers and emotional reactions Time management practices to set yourself up for daily success The ability to read the mood of any room you walk into How and when to assert yourself How to build a successful relationship with anyone you meet so much more This workbook includes self scoring Emotional intelligence test to measure EQ baseline 10 exercises per section 5 bonus exercises self scoring Emotional intelligence test to measure progress improvements To build your Emotional Intelligence and grow to your full potential you need a consistent workout plan This book is your workout plan **Emotional Intelligence 2.0** Derek Warren, 2018-06-15 Boost your Emotional Intelligence and thrive in today's modern society powerful positive intelligence strategies and proven techniques designed to help you master your social skills and improve your relationships with other people Emotional intelligence is a concept that has gained a lot of traction and has proven to be a huge factor that determines whether or not you are able to manage people handle tasks and stand out from the crowd This book details out what EQ is and uses Personal stories and experiences to help you understand why it is instrumental towards achieving success By learning how to boost your emotional intelligence you can improve your life and live up to your potential Your emotions and how you react to them play a major role in intelligence success relationships and all other facets of life In this book you will understand how to use the four EQ skills to heighten your emotional intelligence and get ahead in life In emotional intelligence 2.0 you will learn The four Core EQ skills and how to use them to boost your emotional intelligence Understanding the difference between emotional intelligence and general intelligence and using this knowledge to improve yourself How to discover your true self get rid of negative self talk and use internal dialogues to express yourself How to build and achieve your potential through positive intelligence Practical ways to build your emotional intelligence and
