*Independent As F\*\*\** Ben Pedroche, For a glorious ten year period from 1995 to 2005 hip hop music received a much needed shot in the arm from a generation of determined and wildly creative rappers and producers They rallied against the increasingly formulaic and shallow world of mainstream rap as well as a music industry unwilling to listen By releasing music on their own terms as independent artists many adopting the mantra of being independent as fuck as a mission statement these hungry creatives reclaimed their artistic freedom and wore it as a badge of honour Most importantly they also made a

lot of excellent hip hop What emerged was a vibrant underground music scene that stretched from New York to Los Angeles with influence reaching across the world Independent as F Underground Hip hop from 1995 2005 looks back at this golden era celebrating the most important artists record labels 12 records and albums along with the stories behind them while also shining a light on those who have since been forgotten Lovingly researched and curated this book is the ultimate guide to a special time in music history one that continues to inspire each new wave of hip hop artists decades later Literature X.
