Digital Dilemmas Diana C. Parry, Corey W. Johnson, Simone Fullagar, 2018-12-05 The proliferation of digital technologies virtual spaces and new forms of engagement raise key questions about the changing nature of gender relations and identities within democratic societies This book offers a unique collection of chapters that brings together scholars from diverse backgrounds to explore how gender experiences and identities are being transformed by digital technologies in ways that affirm or deny social justice

Social Roots Cindy Gordon, Andrew Weir, 2014-09-30 Social Roots traces the history of a fundamental economic shift that is underway The shift is rooted in virtualization a key innovation factor but when combined with influence networks the significance becomes transformative The combined power of these dimensions is creating a new economic paradigm based on return on collaboration metrics rooted in social capital theory Inside is the story of the near magical transformation written specifically so we do not forget the significance of this decade of leadership in the influence economy Many of the stories in the first part of Social Roots are about organizations that took the opportunity to experiment and experience the power of social networking approaches to conducting business and social innovators striving to make the world a better place Their contributions to creating the influence economy are numerous and their story of how they achieved success creates a tapestry of insight

Research Outlook, Innovations & Research Trends in Science & Technology Prof S S Rajput, Prof Dr Zeliha Selamoglu, Dr Prashant P Chaudhari, Mrs Priyanka Gupta, 2020-10-25 This book is focused predominantly on academicians research scholars belong to science and engineering managers scientists technicians and other professionals in the field of qualitative research This book is comprehended from different sources of research in Science and Technology On the first occasion the task of providing researchers with a broad view of the relationship between science and technology The second reason for writing the book was the need to fill a gap in academics and research While many excellent books documents and article exist for innovative practices we have not found a work in which we can properly understand the content that the researcher needs to understand So after much deliberation we decided to collect all quality efforts in one string At the most basic level this book is trying to show research scholars what science technology and innovations are all about It cannot study or gain knowledge of that part and is at a level that most researchers should find clear and understandable Our goal was to develop content that will help researchers who are beginning to use innovative practices We hope to meet the needs of academicians research scholars who are being encouraged to incorporate more reading and writing in the field of science and technology In summary this book is targeted to the needs of individuals engaged in quality research activities in science and technology Our goal is to present the topics of creativity and innovation to this audience in a way that enables them to incorporate new skills into their daily work We would like to thank all the contributors who have made the production of this book so fascinating and enjoyable Their scholarship and dedicated commitment and motivation to getting it right are the keys to the book s quality and we greatly appreciate their good nature

over many months in the face of our editorial demands and time limits We are also grateful for using their texts ideas and critical remarks We would also like to thank Prof Dr Nilam N Ghuge Prof Dr D Ayub Khan Dawood Prof Dr Vilas A Pharande all reviewers and all authors for their help in consolidating the interdisciplinary of the book We are grateful to all the 18 institutions for their support It will not be possible to bring out this edition Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post-COVID-19 Era Baporikar, Neeta,2021-02-05 A multidimensional approach to entrepreneurship especially in the post COVID 19 era will have an important influence on the state of business and government especially when considering the effects of technological development innovation glocalization and nationalization policies that need to be adopted for inclusive sustainable growth as well as the enhanced and efficient utilization of global resources That means there is likely to be a shift in how entrepreneurship development and entrepreneurial opportunities will be perceived developed and resourced The question is how to sustain SMEs and entrepreneurial innovation in the post COVID 19 era Thus comprehensive research and knowledge on designing policies and approaches to ensure the sustainability of SMEs and entrepreneurial innovation in post pandemic times are essential to sustain stimulate and foster SMEs entrepreneurship and entrepreneurial innovations The Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post COVID 19 Era provides research dedicated to entrepreneurship with a special emphasis on the sustainability of SMEs and entrepreneurial innovations in the post COVID 19 era It provides discussion and the exchange of information on principles strategies models techniques methodologies and applications of entrepreneurship in the post COVID 19 era in the field of public and private organizations The chapters communicate the latest developments and thinking on the entrepreneurship subject worldwide by drawing on the latest developments ideas research and best practice to examine the implications of the changes taking place due to COVID 19 This book is ideally intended for entrepreneurs global organizations small and medium sized enterprises managers executives government officials policymakers researchers academicians and students who are interested in learning about designing or implementing policies that are more effective in the post pandemic era *Applied Machine Learning and Data Analytics* M. A. Jabbar,Fernando Ortiz-Rodríguez,Sanju Tiwari,Patrick Siarry,2023-05-26 This book constitutes the refereed proceedings of the 5th International Conference on Applied Machine Learning and Data Analytics AMLDA 2022 held in Reynosa Tamaulipas Mexico during December 22 23 2022 The 16 full papers and 4 short papers included in this book were carefully reviewed and selected from 89 submissions They were organized in topical sections as follows Machine learning Healthcare and medical imaging informatics biometrics forensics precision agriculture risk management robotics and satellite imaging **Power and Resistance** Wayne Antony,2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals

making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to Power and Resistance use this critical perspective to explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on This sixth edition adds chapters on the corporatization of higher education the lethal impacts of colonialism democracy the social determinants of health drug policy and sexual violence on campus

Mourning and Mobilization in the Americas Lydia Huerta Moreno, 2026-01-01 Shows how communities across the Americas transform their grief over murdered and missing trans and non trans women girls and two spirit people into powerful social movements that challenge state violence and demand justice A groundbreaking and transnational examination of gender based violence Mourning and Mobilization in the Americas reimagines how we understand the relationship between grief and political action Lydia Huerta Moreno brings together the work of activists scholars artists writers and influencers from 1994 to 2023 to chronicle the intersection of activism with the rise of social media and the eventual implementation of legislation codifying woman killing as a crime Expanding the concept of femicide to encompass trans women two spirit people and missing and murdered women and girls across the Americas Huerta Moreno illuminates the deep connections between different forms of gender based violence across the Americas and weaves together questions of race class gender and immigration status Through innovative and sensitive analysis of postmortem politics the book reveals how communities transform profound loss into powerful social movements from Mexico to Brazil to the United States and Canada and beyond With a foreword by Sayak Valencia Mourning and Mobilization in the Americas is a must read for activists scholars and anyone concerned with human rights revealing how grief can spark resistance against systemic violence and government inaction
