Readers Choice Entrepreneurship Roadmap:

Reading an Unknown Organization Peter Wollmann, Lukas Stricker, Doris Pемler, 2024-10-22 This book focuses on Organizational Intelligence and its connection to the Three Pillar Model a framework developed by a global community of over 60 professionals from various sectors and published by Springer Nature The model centers on three vital pillars for navigating the volatile uncertain complex and ambiguous VUCA world of organizational design and leadership Sustainable Purpose Travelling Organization and Connectivity At its core the book features interviews with executive leaders including those in the C Suite who have recently assumed new roles in new organizations or have done so in their careers The interviews are diverse and anonymized to encourage candid responses The book explores how these leaders quickly gain a comprehensive understanding of their organizations with a focus on coping with change transformation sustainability and UN SDG coverage Offering real case study based guidance the book does not seek to provide a one size fits all methodology but instead encourages readers to tailor its insights to their unique circumstances It is a valuable resource for mentoring and coaching purposes

The Era of Choice Edward C. Rosenthal, 2005 Virginia Lee Burton won the Caldecott Medal in 1943 for her memorable picture book *The Little House* a poignant story of a cute country cottage that becomes engulfed by the city that grows up around it The house has an expressive face of windows and doors and even the feelings of a person so she s sad when she s surrounded by the dirty noisy city s hustle and bustle She missed the field of daisies and the apple trees dancing in the moonlight Fortunately there s a happy ending as the house is taken back to the country where she belongs A classic

The Enterprise Resource Planning Decade , 2004-01-01 The Enterprise Resource Planning Decade Lessons Learned and Issues for the Future presents a collection of chapters written by various experts that share a interest in the ERP movement This collection will generate much interest and contribute to the development of Enterprise wide systems that provide true support to organizations and the development of methodologies that are less disruptive of organizational day to day business than is the case today When ERP projects stop being the make or break ventures they can be and we stop getting these negative reports about failed implementation the target will have been met and the ERP market will be less of a jungle than it is today
