Sci Fi Dystopia Paperback:

We Yevgeny Zamyatin, 2022-11-13 Yevgeny Zamyatin's *We* is a groundbreaking dystopian novel that explores the oppressive nature of a totalitarian state through a unique narrative structure and keen philosophical insights. Written in 1920, the book is presented as a series of diary entries from the protagonist D-503 who resides in a mathematically ordered society where individuality is suppressed for the sake of collective conformity. Zamyatin's innovative use of stream of consciousness and his vivid descriptions paint a stark picture of a future devoid of personal freedom, reflecting the anxieties of a post-revolution Russia grappling with the implications of emergent ideologies. Yevgeny Zamyatin was a Russian writer and engineer whose experiences in a rapidly changing society informed his literary vision. As one of the first authors to respond critically to the Soviet regime, Zamyatin's need to critique the pervasive bureaucracy stemmed from his own disillusionment with utopian ideals. His personal conflict with censorship and the artistic freedom ultimately led to his exile, solidifying his role as a precursor to later dystopian literature. For readers captivated by themes of individuality versus state control, *We* is an essential work that challenges the morality of utopian aspirations while offering profound social commentary. Zamyatin's prophetic insights continue to resonate, making this novel a timeless exploration of the human spirit's struggle against oppression.

Species Traitor Kate L. Mary, 2021-07-16 This was much more than a sci-fi dystopian romance for the reader. This tale played on every emotion you can think of. My mind was a whirlwind of emotional turmoil. Amazon Reviewer Utterly spellbinding. Amazon Reviewer My name is Ava Mendoza and I am a species traitor. They came hoping to find a new home after their own planet was destroyed, but Earth was dying as well, and most humans saw their arrival as an invasion. Now two decades later, the Veilorianians have been banished to the District, a fenced-in area on the outskirts of the last known livable land on Earth. Most people do their best to pretend they don't exist, but not everyone. There are humans like my cousin who see them for what they are. Despite the threat of disownment, she married a Veilorianian, and now she too lives in the District. Even before I met Finn, I was determined to stand up for what was right, but from the moment I laid eyes on him, we had a connection I've never experienced before. But with the election of a new and radical mayor on the horizon, tensions are high, and people are calling for change. They want to make my cousin's marriage illegal and punish any human who goes into the District, but I refuse to back down from this fight. No matter the cost. This book captured my imagination with Kate's creative storytelling and her ability to make you root for the characters. Amazon Reviewer Kate L. Mary never disappoints when it comes to her world building and character development. Amazon Review I remember Mary saying this story would be so much more than just a love story. And it was. It was beauty and raw emotions. It was heartbreaking to the point of tears. But Mary crafted a glorious bandaid in the form of words and amazing characters to mend my heart over and over again. I was absolutely addicted to this book, to Finn and Ava. And I was desperate for it when I wasn't able to be in it. Amazon Reviewer *Species Traitor* has been one amazing journey into a whole new world of aliens and humans trying to stop the hate and bring

the two species together Amazon Reviewer **Dystopian Sci Fi Short Stories** Celesta Thiessen,2013-01-28 Dystopian Sci Fi Short Stories is a collection of seven inspirational science fiction stories A New Life Fate Unprepared Ideas for the Future Paradise A Place to Stay and Fool s Gold Fool s Gold On the planet of Fool s Gold where the men greatly outnumber the women men compete in the games for a chance to win an heir Trenton a genetic accident who was supposed to be born female is excluded from the games and regarded as worthless But that s not how Kate sees things She wants happily ever after with him no matter what the queen says With the help of Abigail Trenton s sister and one of the older men in the colony they plan an escape When unexpected circumstances arise will their faith and determination be enough to carry them to freedom *Chosen* A.
