This book is for all walks of life. There is always so much to learn.

**Alexis** via Amazon  
Have read my fair share of self help books. Some good, many bad, but *Tips for Livin* is unique in the genre and it is great. The author has a no BS way of getting to the point. He isn't a scientist. He is a guy who has lived and found a good way to navigate this life thing. If you want to feel a little more inspired while also seeing the world from a cool perspective, then get *Tips for Livin*.

**Mike V** Reviewer via NetGalley  
**Outstanding Reading Material**  
This book has many great suggestions and learning episodes in and worth a read for sure. A few hours and you're complete.

**Tips for Livin** Donald Anderson via Amazon  
**A Life Companion**  
*Tips for Livin* has a concise, no-fluff approach to the lived experience and our own hubris. It covers topics from individuality, self-development, discipline, to relationships and creative momentum. What I found refreshing about the writing style is that it conveys stoicism in a gentle yet colloquial manner that is applicable to the modern age. If you're feeling stuck or overwhelmed, this is definitely worth the read. The author seamlessly distills eastern philosophy through a western lens, offering guidance to all walks of life.
