**The Book Blueprint** Joel Friedlander, 2018 Independent authors don't just toss their works online anymore They are increasingly learning to act as publishers when they decide how to design and print their books And like publishers they need to make sure their products are the best they can be The Book Blueprint examines each part of the book explaining its logic and structure which in turn influences each part of the book's design It brings together all the writing on this subject by blogger and book designer Joel Friedlander Authors who want to move past selling a couple dozen books and see that their books achieve the widest possible distribution will have to start thinking like a manufacturer The Blueprint is designed to help authors understand how print books are put together so they can satisfy the expectations of their readers while achieving higher profits from their business Joel Friedlander is intimately familiar with the inner workings of books as a designer publisher and prolific author With more than 20 000 books published from his designs Friedlander has grappled for more than three decades with all the topics involved in print book publishing In The Book Blueprint readers will learn what they need to know to craft an industry standard book covering such subjects as How to pick fonts for your book interiors and covers with lots of free options Step by step instructions for dealing with short run offset book printers Keys to understanding the language of printing Making the decision between print on demand and offset production How to design details like running heads text breaks and indexes for your book Includes almost 100 illustrations Whether you are publishing your own books through print on demand vendors or offset printers The Book Blueprint will give you the guidance of an expert to make sure your book is published properly

**Blueprints** Barbara Delinsky, 2015-06-09 Blueprints the New York Times bestselling novel from Barbara Delinsky is the story of two strong women Caroline MacAfee a skilled carpenter and her daughter Jamie a talented architect The day after her 56th birthday Caroline is told the network wants Jamie to replace

her as the host on Gut It their family based home construction TV show The resulting rift couldn't come at a worse time For Jamie life changes overnight when soon after learning of the host shift her father and his new wife die in a car accident that orphans their two year old son Accustomed to organization and planning she is now grappling with a toddler who misses his parents a fianc who doesn't want the child a staggering new attraction and a work challenge that if botched could undermine the future of both MacAfee Homes and Gut It For Caroline hosting Gut It is part of her identity Facing its loss she feels betrayed by her daughter and old in the eyes of the world When her ex husband dies she is thrust into the role of caregiver to his aging father And then there's Dean a long time friend whose efforts to seduce her awaken desires that have been dormant for so long that she feels foreign to herself Who am I Both women ask as the blueprints they've built their lives around suddenly need revising While loyalties shift decisions hover and new relationships tempt their challenge comes not only in remaking themselves but in rebuilding their relationship with each other
