**Child as Citizen** Giuliana Fenech,2025-08-15 Contributions by Daniela Brockdorff Nina Christensen Jill Coste Katrin Dautel Justyna Deszcz Tryhubczak Giuliana Fenech Naomi Hamer Irena Barbara Kalla Anne Klomberg Sonali Kulkarni Elizabeth Leach Leung Ann Marie Murnaghan Emily Murphy Emilie Owens Nicola Parker Patrycja Poniatowska Meg Rosoff and Farriba Schulz Child as Citizen Agency and Activism in Children s Literature and Culture addresses children s and young adult agency and activism across literature and culture demonstrating how these forces influence child citizenship

Contributors to this volume highlight the agentic voices and activist practices that are growing across all spheres of young people s lives as well as the challenges to active citizenship that children growing up in unjust sociopolitical contexts face The volume is interdisciplinary and draws on the sociology of childhood children s literature studies youth culture studies media technology and cultural studies and Anthropocene ecofeminist and disability studies Agency occurs in and around literature and storytelling and this collection establishes how it is always influenced by identity as well as geopolitics how it is both subjective and collective how it is cultural and embodied and how like citizenship it is not a static status but rather an ongoing negotiation In this collection contributors invite readers to consider agency as a system of relations between children themselves between children and adults children and institutions and children and nation states as well as between children and the nonhuman This book reviews the interconnectedness between these relationships and attempts to untangle some of the complications that emerge

### **Literary Fiction Reception** Lucas Powell,2025-02-20 Literary Fiction

Reception explores how literary fiction achieves lasting significance and cultural resonance It argues that a work s reception is not passive but an active negotiation shaped by historical context cultural values and the subjective experiences of readers and reviewers For example the book examines how literary awards influence a book s visibility and long term recognition

demonstrating the tangible impact of accolades on readership. The book progresses systematically beginning with an introduction to literary reception theory and tracing the evolution of critical frameworks. It then analyzes the role of formal literary reviews, the impact of literary awards and the cultural afterlives of literary works through film adaptations and incorporation into educational curricula. By drawing upon diverse sources including archival material and audience reception studies, the book offers a comprehensive understanding of how literary fiction gains meaning and influence particularly within the English speaking world.
