pay for college she's left to navigate a world that's colder and crueler than she ever imagined. Alone, broke and with nowhere to turn, April's only hope comes in the form of a job at an upscale country club arranged by a sorority sister. But when a member crosses a line and touches her inappropriately, she's fired without a second thought. Betrayed and humiliated, she's forced to face the harsh reality of her new life. Enter Nigel Conroy, an enigmatic billionaire who seems darkly dangerous. He's heard of April's plight and is hell bent on making the country club pay. He'll destroy them with the ruthless precision of someone who has nothing to lose. But as his obsession with her grows, April realizes that Nigel's power isn't just in his wealth, but in the raw magnetic way he sees through her into the depths of her vulnerability and desires. April wants to resist. She wants to keep her independence, but the heat between them is undeniable. In Nigel, she might just find something she's been craving all along: passion, danger, and the chance to lose herself in something far more intoxicating than revenge.

increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices, bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible, this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media and cultural studies, as well as teachers and professionals in the book and library industries.
