Handbook of Early Childhood Teacher Education Leslie J. Couse, Susan L. Recchia, 2015-07-24 This handbook synthesizes both contemporary research and best practices in early childhood teacher education a unique segment of teacher education defined by its focus on child development the role of the family and support for all learners The first volume of its kind the *Handbook of Early Childhood Teacher Education* provides comprehensive coverage on key topics in the field including the history of early childhood teacher education programs models for preparing early childhood educators pedagogical approaches to supporting diverse learners and contemporary influences on this quickly expanding area of study Appropriate for early childhood teacher educators as well as both pre and in service teachers working with children from birth through 8 this handbook articulates the unique features of early childhood teacher education highlighting the strengths and limitations of current practice as based in empirical research It concludes by charting future directions for research with an aim to improve the preparation of early childhood educators

Making Sense Of Children'S Drawings Anning, Angela, Ring, Kathy, 2004-08-01 *Making Sense of Children s Drawings* is enlivened with the real drawings of seven young children collected over three years These drawings stimulated dialogues with the children parents and practitioners whose voices are reported in the book The book makes an argument for us to rethink radically the role of drawing in young children s construction of meaning communication and sense of identity It provides insights into the influence of media and consumerism as reflected in popular visual imagery and on gender identity formation in young children It also offers strong messages about the overemphasis on the three Rs in early childhood education

Piaget and Vygotsky in XXI century Nikolay Veraksa, Ingrid Pramling Samuelsson, 2022-08-18 The book provides a comprehensive analyses of Vygotsky s and Piaget s theories implementation in modern preschool education It analyzes the problem of the relationship between the natural and the cultural in the context of Vygotsky and Jean Piaget theories Their discourses complemented each other whereas Vygotsky developed his theory in the direction from society culture to the individual child Piaget s movement was the opposite from individual child to society These two approaches confront modern world with the need to analyze the problem of childhood is childhood a period of cultural exploration or is it a special form of relationship in which both the egocentrism and consciousness of the child and the egocentrism and consciousness of culture are represented Readers will gain insight into the methodology that makes possible to unite up to date views based on Vygotsky and Piaget theories on child development and education

[The New Childhood](#) Jordan Shapiro, 2018-12-31 A provocative look at the new digital landscape of childhood and how to navigate it In *The New Childhood* Jordan Shapiro provides a hopeful counterpoint to the fearful hand wringing that has come to define our narrative around children and technology Drawing on groundbreaking research in economics psychology philosophy and education *The New Childhood* shows how technology is guiding humanity toward a bright future in which our children will be able to create new better models of global citizenship connection and community

Shapiro offers concrete practical advice on how to parent and educate children effectively in a connected world and provides tools and techniques for using technology to engage with kids and help them learn and grow He compares this moment in time to other great technological revolutions in humanity s past and presents entertaining micro histories of cultural fixtures the sandbox finger painting the family dinner and more But most importantly The New Childhood paints a timely inspiring and positive picture of today s children recognizing that they are poised to create a progressive diverse meaningful and hyper connected world that today s adults can only barely imagine

Narratives in Early Childhood Education Susanne Garvis,Niklas Pramling,2017-05-08 Over the past few decades a growing body of literature has developed which examines children s perspectives of their own lives viewing them as social actors and experts in their understanding of the world Focusing specifically on narratives this unique and timely book provides an analysis of these new directions in contemporary research approaches to explore the lived experiences of children and teachers in early childhood education in addition to presenting original research on children s narratives The book brings together a variety of well regarded international researchers in the field to highlight the importance of narrative in young children s development from local and global perspectives While narrative is clearly understood within different countries this is one of the first texts to build an international understanding acknowledging the importance of culture and context It presents up to date research on the latest research methods and analysis techniques using a variety of different approaches in order to critically reflect on the future for narrative research and its insights into early childhood education Narratives in Early Childhood Education will be of interest to postgraduate students academics and researchers in early childhood education as well as early childhood professionals government policy makers and early childhood organisations and associations

The Top Books of the Year Children Bedtime Story Media Sensation The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Children Bedtime Story Media Sensation : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Children Bedtime Story Media Sensation : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
