excellent hip hop What emerged was a vibrant underground music scene that stretched from New York to Los Angeles with influence reaching across the world Independent as F Underground Hip hop from 1995 2005 looks back at this golden era celebrating the most important artists record labels 12 records and albums along with the stories behind them while also shining a light on those who have since been forgotten Lovingly researched and curated this book is the ultimate guide to a special time in music history one that continues to inspire each new wave of hip hop artists decades later **Literature X.
