

application of Opposition Thinking will give them the results they want. I think they deserve to know this.

Before I move from the garden to the next Raman's mystical fable, I must let you know of one more secret that will offer you great aid in your personal growth. This secret is based on the ancient principle that everything is always created twice, first in the mind and then in reality. I have shared already that thoughts are things, material messengers that we send out to influence our physical world. I have also informed you that if you hope to make remarkable improvements in your outer world you must first start within and change the caliber of your thoughts.

The Sages of Sivana had a wonderful way to ensure that their thoughts were pure and wholesome. This technique was also highly effective in transforming their desires, however simple, into reality. The method will work for anyone. It will work for a young lawyer who seeks financial abundance just as it will work for a mother seeking a richer family life or a salesperson seeking to close more sales. The technique was known to the sages as the Secret of the Lake. To apply it, these teachers would rise at 4:00 a.m., as they felt that the early morning possessed magical qualities from which they could benefit. The sages would then travel along a series of steep and narrow mountain paths that eventually led them to the lower reaches of the region they inhabited. Once there, they would walk along a barely visible trail lined with magnificent pine trees and exotic flowers until they arrived at a clearing. At the edge of the clearing was an aqua blue lake covered by thousands of tiny white lotuses. The water of the lake was crystal clear and the surrounding air was truly a miraculous sight. The sage

## International Bestseller Youtube Book Review:

**YouTube for Authors** Dale L. Roberts, 2025-06-07 You've thought about using YouTube but the process feels overwhelming and unclear. This book simplifies every step. You've heard YouTube can help authors reach more readers, sell more books, and build a lasting platform, but figuring out how to get started can feel overwhelming. Between the gear, the editing, and the algorithm, many writers give up before they even begin. This book is here to change that. In *YouTube for Authors*, Dale L. Roberts shares the exact steps he used to grow multiple monetized channels, reach over 120,000 subscribers, and turn video content into consistent visibility and book sales. You'll learn how to make YouTube work for your author career without burning out, overspending, or wasting time chasing trends. Whether you're starting from scratch or need a clearer direction, this guide shows you how to build a channel that fits your goals, grows your readership, and supports your writing life. You'll learn how to create videos that attract the right readers, grow your channel without expensive gear or editing skills, use YouTube's built-in tools to get discovered, promote your books in a way that feels natural, earn money through ads, affiliate links, and sponsorships, stay consistent while protecting your writing time. You'll love this book because it makes YouTube feel doable even if you've never uploaded a single video. Get it now.

## **The Oxford Handbook of Publishing**

Angus Phillips, Michael Bhaskar, 2019-04-11 Publishing is one of the oldest and most influential businesses in the world. It remains an essential creative and knowledge industry, worth over 140 billion a year, which continues to shape our education and culture. Two trends make this a particularly exciting time. The first is the revolution in communications technology that has transformed what it means to publish, far from resting on their laurels and retreating into tradition, publishers are doing as they always have: staying on the cutting edge. The second is the growing body of academic work that studies publishing in its many forms. Both mean that there has never been a more important time to examine this essential practice and the current state of knowledge. *The Oxford Handbook of Publishing* marks the coming of age of the scholarship in publishing studies with a comprehensive exploration of current research, featuring contributions from both industry professionals and internationally renowned scholars on subjects such as copyright, corporate social responsibility, globalizing markets, and changing technology. This authoritative volume looks at the relationship of the book publishing industry with other media and how intellectual property underpins what publishers do. It outlines the complex and risky economics of the industry and examines how marketing, publicity, and sales have become ever more central aspects of business practice, while also exploring different sectors in depth and giving full treatment to the transformational and much-discussed impact of digital publishing. This Handbook is essential reading for anyone interested in publishing, literature, and the business of media, entertainment, culture, communication, and information.

## **YA Genre Potential** Mason Ross, 2025-02-20

*YA Genre Potential* examines the Young Adult YA fiction market, moving beyond surface level observations to provide a data-driven analysis of its true strength and diverse audience engagement. This book critically assesses library circulation statistics, sales figures, and demographic

trends to offer a balanced perspective on the enduring potential and possible limitations of the YA genre. The analysis focuses on the tangible market performance of YA fiction, the demographic makeup and reading habits of its audience, and the essential role libraries play in shaping its popularity. Interestingly, the book reveals insights into bestselling subgenres and the impact of digital platforms and social media on purchasing decisions. This study offers a comprehensive analysis, beginning with an introduction to the evolution of the YA genre and its current market size, then developing its argument through major sections examining library data, sales figures, and audience demographics. What sets this book apart is its empirical approach and focus on actionable insights for publishers, authors, and librarians. By grounding its analysis in verifiable data, the book provides a nuanced understanding of the multifaceted dynamics within the YA fiction market and reveals that success requires moving beyond generalizations and engaging with specific data points.

**World's Best Whiskies** Dominic Roskrow, 2018-10-16 Revised and Updated Whisky is one of the world's most revered spirits, with connoisseurs spending a great deal of money and time on the appreciation of rare expressions and limited edition bottles. In addition, many whisky connoisseurs travel direct to the source to see and experience the world's best distilleries at first hand. Since the publication of the first edition in 2010, many changes have occurred in the world of whisky, which are fully explored in this completely new edition. Over 200 of the 750 whiskies are updated, along with over 20 of the 38 features, to reflect the new world of whisky from the growing US single malt craft distillery movement, including Balcones in Texas, Japan's Yoichi, Taiwan's Kavalan, India's Paul John, Australia's Overeem, France's Warenghem, and Sweden's Mackmyra. Aimed at beginners as well as connoisseurs, the book encompasses everything you need to know to increase your appreciation of this complex and fascinating spirit. Iconic distilleries such as Lagavulin, Highland Park, and Glenrothes in Scotland are fully explored alongside the bourbon innovators of Kentucky, such as Woodford Reserve and Maker's Mark. From global brands to tiny craft distillers, this book offers a comprehensive overview of the best dram in the world over.

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice, especially in the abuse of religion. In many ways, this book is a literature review of 1,800 plus works that defend freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners. The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor, TDCJ Director, and wardens throughout the prison. Therein, TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors. Why is the director sponsoring psychopaths counseling psychopaths? In fact, TDCJ pays \$314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself. The underbelly TDCJ's executive culture of cover up is exposed. TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence. TDCJ Dir. Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history.

according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars ***U.S. News & World Report***,2008 ***U.S. News and World Report***
