Media Sensation Viral Romance Tiktok:

Decolonising Digital Media and Indigenisation of Participatory Epistemologies Fulufhelo Oscar Makananise, Shumani Eric Madima, 2024-08-13 The book provides valuable insights on decolonising the digital media landscape and the indigenisation of participatory epistemologies to continue the legacies of indigenous languages in the global South. It is one of its kind as it climaxes that the construction phase of self-determining and redefining among the global South societies is an essential step towards decolonising the digital landscape and ensuring that indigenous voices and worldviews are equally infused, represented, and privileged in the process of higher-level communication, exchanging epistemic philosophies and knowledge expressions. The book employs an interdisciplinary approach to engage in the use of digital media as a sphere for resistance and knowledge transformation against the persistent colonialism of power through dominant non-indigenous languages and scientific epistemic systems. It further advocates that decolonising digital media spaces through appreciating participatory epistemologies and their languages can help promote the inclusion and empowerment of indigenous communities. It indicates that the decolonial process can also help to redress the historical and ongoing injustices that have disadvantaged many indigenous communities in the global South and contributed to their marginalisation. This book will appeal to undergraduate and graduate students, scholars, and academics in communication, media studies, languages, linguistics, cultural studies, and indigenous knowledge systems in higher education institutions. It will be a valuable resource for those interested in epistemologies of the South, decoloniality, postcoloniality, indigenisation, participatory knowledge, indigenous language legacies, indigenous artificial intelligence, and digital media in the Fourth Industrial Revolution. [Rhythms of the Soul](#)

William Jones, 2025-02-27 *Rhythms of the Soul: The Power of Music in Black Culture* is an in-depth exploration of the profound and transformative role music plays within the Black community. From the deeply rooted African rhythms that echo through history to the modern-day sounds shaping global culture, this book uncovers the rich legacy of Black music and its enduring influence on identity, social movements, and cultural evolution. Author William Jones takes readers on a journey through time, beginning with the earliest expressions of music in the African diaspora and tracing its development through genres like blues, jazz, soul, funk, R&B, and hip-hop. With vivid storytelling and insightful analysis, Jones examines how music has not only been a source of resistance and empowerment but also a powerful tool for social change and cultural expression. Through detailed chapters that highlight key historical moments, political movements, and iconic figures, *Rhythms of the Soul* offers a comprehensive understanding of how Black music has shaped and continues to shape the cultural and political landscape of today. The book also explores the global reach of Black music, its influence on contemporary artists, and its ability to transcend borders and connect people across the world. This compelling narrative is not just about music; it's about identity, legacy, and the unbreakable connection between culture and sound. Whether you're a music enthusiast, a student of culture, or someone seeking to understand the transformative power of Black music, *Rhythms of the Soul* is an essential read that celebrates the

vitality and resilience of Black creativity Dive into the heart of Black culture and discover how music continues to shape our world one rhythm at a time Socializing Medicine Pao-chen Tang, Yuqian Yan, Ling Zhang ,2025-01-07 In Socializing Medicine Pao chen Tang Yuqian Yan and Ling Zhang explore the intersections of medicine health and East Asian media Interweaving archival research audiovisual analyses and theoretical insights from the emerging field of health humanities the book reveals the multifaceted ways in which the mass media from photography and film to television and live streaming has been deployed as a tool for controlling medicine and health privileging those with power and authority from the early twentieth century to the present Adopting anti colonial and anti capitalist perspectives the contributors in this volume challenge the dominant mediations of health against the backdrop of imperialism Cold War geopolitical tensions and neoliberal capitalism Collectively they advocate for alternative understandings of medical culture through media productions that envision accessible and equitable healthcare practices This groundbreaking anthology diverges from Eurocentric models to span the celluloid past and digital present and investigate how East Asia offers not only illuminating examples of media shaping the socially based construction of health and medicine but also some fascinating alternatives to state centered efforts to bind the body to the nation Aaron Gerow Yale University Expanding the boundaries of health humanities and media studies simultaneously Socializing Medicine presents an enthralling picture of the ideological significance of medical media in East Asia Its transnational and intermedial approach wisely recognizes that media like viruses rarely remain stable entities or respect national borders An essential addition to the growing literature on the relationship between media medicine and power Scott Curtis Northwestern University Children's Writers' & Artists' Yearbook 2026 Bloomsbury Publishing,2025-07-17 Knowledge advice encouragement and inspiration this book helped turn my dream into reality Alice Oseman writer illustrator of the bestselling Heartstopper series Celebrating its 22nd edition this indispensable Children's Writers' & Artists' Yearbook provides everything you need to know to get your work noticed With thousands of up to date contacts and inspiring articles from dozens of successful writers illustrators and industry insiders it is the ultimate resource on writing and publishing for children of all ages Packed with insights and practical tips it provides expert advice on submitting to agents and publishers writing non fiction and fiction across genres and formats poetry plays broadcast media and illustration self publishing copyright finances and contracts marketing prizes and festivals and much much more New articles for 2026 include Foreword by Ross Montgomery winner of the Children's Book Award 2025 Publishing options for debut writers by Andy Darcy Theo Ghostwriting by Sam Binnie Choosing your audience by Finn Longman Being a successful self published author by Griselda Heppel Writing poems for children by Laura Mucha Author agent contracts by Lydia Silver The many hats of a literary agent by Christabel McKinley Picture book illustration by Si n Roberts Picture book writing by Sital Gorasia Chapman Creating comic books by Jamie Smart Between the covers of this book is everything you need to know to get published Julia Donaldson **Children's Writers' & Artists' Yearbook 2025** Bloomsbury Publishing,2024-08-01
