Digital Expressions of the Self(ie) Avishek Ray, Ethiraj Gabriel Dattatreyan, Usha Raman, Martin Web, Neha Gupta, Sai Amulya Komarraju, Anuja Premika, Riad Azam, Farhat Salim, Pranavesh Subramanian, 2024-02-06 The book examines the social and cultural role of selfies in India. It looks at how the selfie unlike the photograph which was a gesture towards an external reality remains intimately self referential yet reconfigures social ordering identity formation agency and spaces in curious ways. This volume approaches questions about the construction and performance of the self through the digital selfie and uses this situated contextualized and culturally specific phenomenon as a site to explore the themes of self making place making gender subjectivity and power. Highlighting the specific contexts of production the authors examine the array of self expressive capabilities realized in a multitude of uses of the selfie that simultaneously reconfigure the self the space and the world. An important study of visual social media culture the volume will be useful for interpreting everyday media experiences and will be of interest to students and researchers of image studies visual studies photography studies visual culture media studies culture studies cultural anthropology digital humanities popular culture sociology of technology and South Asian studies

Folk Dances of Odisha: Footprints on the Sands of time My City Links, 2026-01-05 An Intangible Heritage that Needs to be at the Heart of Contemporary Existence Deeply rooted in tradition and culture Odisha's folk dances have for generations shone a light on a way of life itself. Sadly these distinctive forms of artistic cultural and social expression now face a crisis of identity and a grim battle for survival. Our Cover Story delves into the origins and significance of folk dance forms from different regions of Odisha to reinforce what they stand for and why they should be preserved as well as promoted. Elsewhere in this edition we continue with our series on another tradition an architectural one that imparts a distinct identity to the temple city of Bhubaneswar. This time City Tales decodes the historical and cultural significance of the Godavari Tank in Bindusagar. Soil has a way of balancing and controlling disparate facets of nature in a manner that provides the ideal conditions to nurture life. Recent years have seen a renewed acknowledgment of the important role it plays be it in making cities healthy and sustainable or in ensuring food security and resilience. City Beat brings you a special feature to mark World Soil Day. Do you turn a packaged product around to get crucial information about it before making a purchase? Or do you base your purchase simply on what is advertised in bold letters on the front? On National Consumer Rights Day City Beat presents a ready reckoner and a list of Dos and Don'ts. Our CityZen for this edition is Rajlaxmi Chowdhury or Ria as she is known in the online reading community. She talks about how she began what keeps her ticking and the latest trends in the world of Boostagram. City Literature meanwhile takes a close look at romance in Odia writing. The resurgence of styles from Y2K or year 2000 is the latest example of fashion repeating itself at regular intervals. Our section on fashion and lifestyle brings you the low down on this highly visible revival. City Sports celebrates the talent and perseverance of four young cricketers from Odisha who played a key role as India won the first ever Blind Women's T20

World Cup held in Sri Lanka **How to Stop Trying** Kate Williams, 2025-03-11 An unflinchingly honest and sometimes hilarious look at hustle culture exploring the forces that have shaped a generation of overachieving women who now find themselves in search of a better way forward. Have you ever heard someone say I'm trying to make it work and thought That sounds like a great idea Probably not. Because the thing about trying is that it's tiring, it's labor. Anyone who has tried to have fun or to relax or to fall asleep knows this to be true. And yet we exist within a culture that encourages us often with a frantic urgency to try and try harder. We are told to try a different approach, try to do or be better, try to squeeze in a little bit more. This is especially true of women who not only have to try harder than men to receive access to the same opportunities and resources but who are also conditioned to try in the name of meeting others' needs and expectations often at the expense of their own well-being. In this galvanizing and illuminating read, Kate tackles hustle culture head-on, exploring the ways in which women are primed to become relentless strivers. From the workplace to motherhood, from relationships to self-care, no arena of a woman's life is safe from the pressure to exceed expectations. This conflation of self-worth with achievement, she argues, is both toxic and counterproductive as the qualities we most seek—happiness, meaning, purpose—are not earned but rather owned. Known for her astute cultural analysis and pitch-perfect observations of generational trends, Williams takes readers on a journey rooted in her own struggle to divest from an overachieving identity, including the realizations that came in the wake of a painful fertility challenge. Deeply felt, passionately argued, and often laugh out loud funny, this is a book for every woman who has ever wondered what would happen if she stopped trying so hard and just let go.
