Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is a key part of learning to read and write. It helps children to understand how words are made up of sounds and how these sounds are represented by letters.

How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and say them out loud. Encourage your child to join in and say the words with you. This will help them to hear the sounds of the words and to see how they are written.

Phonics games

There are many phonics games that you can play with your child. Some of the best games are word search, crosswords, and anagrams. These games help children to learn the sounds of words and how they are written.

Phonics resources

There are many resources available to help you teach your child phonics. Some of the best resources are books, websites, and videos. These resources provide a variety of activities and games that can help your child learn phonics.

Phonics tips

There are many tips that you can use to help your child learn phonics. Some of the best tips are to be patient, to encourage your child, and to make learning fun. These tips will help your child to learn phonics and to become a confident reader and writer.

Phonics checklist

Can your child identify the sounds of the letters a, b, and c?

Phonics is a key part of learning to read and write. It helps children to understand how words are made up of sounds and how these sounds are represented by letters.

What is the phonics screening check?

The phonics screening check is a test that is given to children in Year One. It is designed to assess their knowledge of the sounds of words and how they are written. The test consists of a series of questions that ask the child to identify the sounds of words and to write the words that correspond to the sounds.
