The Portable Mentor Mitchell J. Prinstein, 2022-08-04
Psychology is a popular subject to study with thousands entering graduate school each year, but unlike med or pre law, there is limited information available to help students learn about the field, how to successfully apply, and how to thrive while completing doctoral work. *The Portable Mentor* is a useful must-have resource for all students interested in psychology. This third edition is updated and expanded, designed to address students and trainees' need for open dialogue and mentorship. Throughout, it covers some of the common challenges graduates face and features discussions about how to celebrate your identity and find a rewarding, worthwhile career path. It comprises thirty chapters written by more than seventy of the field's top experts, successfully filling a void in professional development advice.
