Convert Works To:

A Convert's Tale Tamar Herzig, 2019-12-03 An intimate portrait based on newly discovered archival sources of one of the most famous Jewish artists of the Italian Renaissance who charged with a scandalous crime renounced his faith and converted to Catholicism In 1491 the renowned goldsmith Salomone da Sesso converted to Catholicism Born in the mid fifteenth century to a Jewish family in Florence Salomone later settled in Ferrara where he was regarded as a virtuoso artist whose exquisite jewelry and lavishly engraved swords were prized by Italy's ruling elite But rumors circulated about Salomone's behavior scandalizing the Jewish community who turned him over to the civil authorities Charged with sodomy Salomone was sentenced to die but agreed to renounce Judaism to save his life He was baptized taking the name Ercole de Fedeli One of the Faithful With the help of powerful patrons like Duchess Eleonora of Aragon and Duke Ercole d Este his namesake Ercole lived as a practicing Catholic for three more decades Drawing on newly discovered archival sources Tamar Herzig traces the dramatic story of his life half a century before ecclesiastical authorities made Jewish conversion a priority of the Catholic Church A Convert's Tale explores the Jewish world in which Salomone was born and raised the glittering objects he crafted and their status as courtly hallmarks and Ercole's relations with his wealthy patrons Herzig also examines homosexuality in Renaissance Italy the response of Jewish communities and Christian authorities to allegations of sexual crimes and attitudes toward homosexual acts among Christians and Jews In Salomone Ercole's story we see how precarious life was for converts from Judaism and how contested was the meaning of conversion for both the apostates former coreligionists and those tasked with welcoming them to their new faith

Molecular Driving Forces Ken Dill, Sarina Bromberg, 2010-10-21 Molecular Driving Forces Second Edition E book is an introductory statistical thermodynamics text that describes the principles and forces that drive chemical and biological processes It demonstrates how the complex behaviors of molecules can result from a few simple physical processes and how simple models provide surprisingly accurate insights into the workings of the molecular world Widely adopted in its First Edition Molecular Driving Forces is regarded by teachers and students as an accessible textbook that illuminates underlying principles and concepts The Second Edition includes two brand new chapters 1 Microscopic Dynamics introduces single molecule experiments and 2 Molecular Machines considers how nanoscale machines and engines work The Logic of Thermodynamics has been expanded to its own chapter and now covers heat work processes pathways and cycles New practical applications examples and end of chapter questions are integrated throughout the revised and updated text exploring topics in biology environmental and energy science and nanotechnology Written in a clear and reader friendly style the book provides an excellent introduction to the subject for novices while remaining a valuable resource for experts

The Convert's Guide and Preacher's Assistant Timothy Merritt, 1841 **In Search of the American Spirit** Gregory S. Butler, 1992 He found his own views compatible with those of Brownson who not only disputed the prevalent theory that morality has no place in politics but argued that morality is an

integral part of the political process Extensively utilizing Brownson's lesser known writings Butler examines in chronological order the phases of Brownson's personal and spiritual development thereby assessing the importance and contemporary relevance of his thought He gives special attention to Brownson's belief that the moral interpretation assigned to American political symbols Liberty Equality the Rights of Man are derived from the American understanding of the nature and destiny of the human soul Brownson eventually came to believe that humankind can only progress by finding inspiration in the divine and that the American political order must be based in the Christian especially the Roman Catholic moral tradition

Affaires de famille, 2007-01-01 Famille je vous ai encore et toujours l'esprit je vous aime un peu beaucoup ou je vous hais norm ment What are families like in contemporary France And what begins to emerge when we consider them from the point of view of recent theoretical perspectives faulty cohesion fake coherence carefully planned or subversive deconstruction loss of love confidence or credibility or even utter chaos and alarming confusion Which media revamp old stereotypes generate alternative reinterpretations and imply more ambiguous answers What images scenes or frames stand out in contemporary representations of the family Uneasy contradictions and ambiguities emerge in this bilingual collection of approaches and genre studies The family plot seems to thicken as family ties appear to loosen Has the family been lost from sight or is it being reinvented in our collective imaginary This book proposes a new series of perspectives and questions on an old and familiar topic exploring the state and status of the family in contemporary literature culture critical and psychoanalytic theory and sociology *Works* John Lubbock, 1889 **Military Construction Appropriations for 1972** United States.
