

Cooking Chef

Gio Angelo

Cooking Chef:

Cooking Basics Thomas N. England, 2015-09-01 Cooking is an art and knowing how to master the many skills and techniques that normally only come from years of experience in the kitchen can be tough. However, with the right expert guidance, those skills can come easy and cooking can be fun. *Idiot's Guides: Cooking Basics* will help even the most inexperienced novice in the kitchen gain the skills necessary to cook nearly anything the right way. Packed full of step-by-step color photography and step-by-step lessons for over 80 classic recipes, *Idiot's Guides: Cooking Basics* teaches you all the basic skills required to be successful in the kitchen and learn skills that will last a lifetime.

Accidental Chef Chef Charles Oppman, 2011-07-27 *Accidental Chef* is a sobering account of what it's really like to be a professional chef, not the glamorized, sugar-coated depictions we see on cable television. This book offers a glimpse of what it's really like to work in a hotel patisserie shop and a busy restaurant. When you read *Accidental Chef*, you can't help feeling that you're right there with Charles in the kitchen. Through his vivid descriptions, you'll be able to imagine the sights, sounds, and smells of a real kitchen. *Accidental Chef* puts a real face on the hospitality industry in America. Charles reveals many of the unsavory aspects of the hotel and restaurant business. For example, he relates true life stories about how our food supply isn't always as sanitary as we might believe. You'll get an idea of just how prevalent drug abuse and sex are in the food world. Through *Accidental Chef*, Charles also shares some of the stories of the colorful characters he's worked with throughout his long career. He illustrates how professional cooking attracts a variety of characters. Charles introduces you to some of the bizarre people he's worked with. In his own words, Charles gives us the captivating story of how he abandoned a prosperous career in hospital administration to become a chef in New Orleans. It's an inspiring story for those who are disenchanted with their career but are afraid of the risks of a career transition. Above all, Charles reveals the irrepressible determination and genuine love of cooking that made his success possible.

The Bloke's Guide to Brilliant Cooking Jim O'Connor, 2012-11-27 *The Bloke's Guide To Brilliant Cooking* and how to impress women is a humorous do-it-yourself guide to two of the most important things in any man's life: the love of great food and impressing women. This book will show anyone how to impress like a chef by thinking the way a Bloke naturally thinks like a Bloke. It will take you on a Larrikins own adventure into the mysteries of brilliant cooking, enabling anyone willing to think differently about cooking to tap into their cooking genius. By the time you have finished reading this book, you will be able to create unlimited amazing meals all from an idea in your head, and you'll have great laughs as you do it. Brilliant cooking is what happens when the instincts, imagination, and the head get together on the same plate and tell the hands what to do in the kitchen. If you want to learn how to cook brilliant meals using the knowledge, imagination, and instincts you already have whilst simultaneously learning how to impress women in your life, then read on. If not, it's ok to go; we won't tell anyone. *The Bloke's Guide to Brilliant Cooking* and how to impress women is perfect for anyone who loves cooking and women and is looking for something unique.

Cookery for the Hospitality Industry Graham

Dodgshun, Michel Peters, David O'Dea, 2012 A must have book for thirty years and now in its sixth edition *Cookery for the Hospitality Industry* remains Australia's most trusted and reliable reference for commercial cookery students, apprentice chefs and those studying vocational courses in schools. It covers the essential skills, methods and principles of cookery as well as the core competencies listed within the Australian National Training Package for Commercial Cookery. This book provides trade apprentices and commercial cookery students with everything they need to know to achieve trade status and more. It is the only textbook that genuinely addresses the needs of Australian students by covering Australian qualifications and reflecting Australian conditions, ingredients and our unique cuisine. **Professional Hotel Management** J M S Negi, 2002

This book, an essential text for hospitality management students, examines the relevance and applications of general management theory and principles to hospitality organizations. Using contemporary material and case studies, the book indicates ways in which performance may be improved through better use of human resources. Rigorous academic theory is related to hospitality practice based on the author's great knowledge of the hospitality industry. The text takes a vocational basis and the illustration of the theory with the real-life examples of hospitality management in action provides a solid and stimulating introduction to the subject. *Global Gastronomic Adventures Presents A Real Taste of Bread Baking* Gio

Angelo, 2014-06-04 Bread has been part of our daily diet for centuries and it went from a simple white bread to the variety we have today from whole wheat to seed bread and even gluten free or wheat free bread. Even for our ancestors bread was an important part of their diet and if we read the old books we will find it mentioned there in a form or another. Nowadays bread baking has turned into both an industry and an art, especially if you pride yourself to be making good quality bread: crusty on the outside and moist on the inside, fluffy and golden brown with the best fragrance in the whole world. For me, at least, that's what a good bread is and freshly made bread always makes me think about my childhood and those days when I sat with my grandma in the kitchen and she made bread, allowing me to help. For her it was a ritual and it had to be perfect in order to have a good bread. For me it was just a game which turned into a passion later on but also a necessity when I couldn't find a bread to satisfy my taste on the market. Before giving you the recipes, bear in mind that making bread is not as hard as it looks and as long as you take into account a few tips you can't go wrong. The first thing you have to know and never forget is that yeast is a living organism and it lives and expands only under certain conditions, especially temperature. When working with yeast, all your ingredients have to be warm, not hot nor cold but warm enough, a bit higher than body temperature. If it's too hot it will kill the yeast; if it's too cold the yeast won't be able to feed and make the dough rise. As a baker, you learn a lot of things about this but to sum it up in an easy-to-understand sentence, remember that all your ingredients, especially the liquid, has to be warm enough for you to be able to hold your hand in there without burning nor having any kind of discomfort. Depending on the type of yeast used, you will have to either mix it into the flour first or let it bloom in liquid before adding the rest of the ingredients. Many recipes use a small quantity of sugar or other sweetener as well because yeast feeds on sugars.

then it releases carbon dioxide and make the dough rise You will find in most recipes either vegetable oil or butter Their main purpose is to make the dough richer flavor it but also preserve its moisture for a longer period of time However adding oil or butter also makes it more caloric You can skip it but don't be surprised to have a bread that dries out and crumbles easier Recipes are made to be customized and no recipe is set in stone And if there is one thing I learnt from this quest of finding the perfect bread that is to never be afraid of the dough Once it's risen you can knead it and shape it as much as you want and start all over again if something goes wrong So go ahead and experiment with the recipes found in the book find your own favorite and have fun making it

Global Gastronomic Adventures A Real Taste of India Gio

Angelo,2014-06-05 Indian cuisine is a mix of spices and spirit and for that reason the Indian dishes have so much flavor and variety in just one bowl They represent the Indians 100% and it's their simplicity that strikes you at first then you get to feel the intense flavors hidden inside Indian cuisine is similar to spices lots of them Although your taste buds might not be used to this kind of spices don't be afraid to try them They balance each other perfectly and the final dishes are always simple but fragrant and they flood your senses with deliciousness and creaminess This short book contains 10 recipes having Indian influences 10 recipes that can be cooked at home without any advanced cooking skills or unknown Indian spice They are cheap and easy to make simple in their cooking technique but complex in terms of flavors developed This short book is only the first step to a more intensive research on the Indian cuisine so be bold and hop on this wagon Indian cuisine will give you the surprise of your lifetime

Cooking Chef: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
