*Lingua Cosmica* Dale Knickerbocker, 2018-05-04

Anthologies awards journals and works in translation have sprung up to reflect science fiction's increasingly international scope. Yet scholars and students alike face a problem. Where does one begin to explore global SF in the absence of an established canon? *Lingua Cosmica* opens the door to some of the creators in the vanguard of international science fiction. Eleven experts offer innovative English language scholarship on figures ranging from Cuban pioneer Da na Chaviano to Nigerian filmmaker Olatunde Osunsanmi to the Hugo Award winning Chinese writer Liu Cixin. **Identity, Community, and Sexuality in Slash Fan Fiction** Anne Kustritz, 2023-11-24

This book explores slash fan fiction communities during the pivotal years of the late 1990s and early 2000s as the practice transitioned from print to digital circulation. Delving into over ten years of online and in-person ethnography, the book offers an in-depth examination of slash fan fiction original stories written by and circulated within female-centered communities about same-sex characters borrowed from previously published sources to document the history of a feminist queer media subculture whose infrastructure, creativity, and ways of life are often obscured in dominant histories of the internet's development and by the contemporary focus on industry-friendly but often misogynist digital fan

subcultures Arguing that online slash communities created an alternate public space that provided opportunities for unanticipated encounters with a wide range of complex sexual relational and political practices the book contends that slash thereby added to readers tools for experiencing and thinking about pleasure and ways of living by forming a pocket public that is a digital space public enough to be found and protected enough to shield participants from harassment and censorship This insightful and comprehensive study will interest students and scholars working in the areas of media studies literary studies anthropology new media audience communities convergence culture fan studies women s studies and queer studies Introduction of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC license Funded by Social Sciences and Humanities Research Council of Canada grant 435 2019 0691
