Intersectionality in Sociology of Sport Lucie Schoch, Madeline Pape, Akilah Carter-Francique, 2023-08-23 Intersectionality

has become a defining paradigm for critical feminist scholarship Rooted in Black Feminism it recognizes the interlocking and mutually constitutive character of salient systems of difference and inequality such as gender race class sexuality nationality disability which together form a matrix of domination Collins 1990 While intersectionality has become a buzzword for feminist scholars and activists Davis 2008 it has also attracted criticism and debate There are unresolved questions concerning how it can be conceptualized Choo Strid Walby and Armstrong 2013 and put to practical use beyond the academy Cho Crenshaw McCall 2013 So too are scholars and activists questioning whether intersectionality has been overly commodified and appropriated by white feminisms and disconnected from its radical origins Nash 2019 In the wake of the COVID 19 pandemic and its intersectional impacts as well as the recent intensification of activism and protest related to racialized and gendered injustices the moment is ripe to revisit and reflect on the concept of intersectionality including within the field of sociology of sport While sport clearly lends itself to intersectional analysis Carter Francique 2017 to date there has not been a systematic effort to consider where and how the concept of intersectionality fits within the sociology of sport as a discipline It is precisely this project that this Research topic invites Taking up the three key axes that have organized intersectionality scholarship to date theory methods and practice we ask How has intersectional theorizing and analysis figured within sociology of sport to date What explanatory power does it offer as a framework for investigating power and inequality in sport and what are its limitations How might its application in the context of sport advance sociological approaches to intersectionality as a methodology Critically via what practices might intersectional empowerment be realized in sport What does activism for and the organization of intersectional justice in sport look like Given the breadth of issues research sites and theoretical paradigms taken up to date within sociology of sport we suggest that the discipline offers an ideal setting in which to unpack the complexity of intersectional processes and politics We suggest further that the current moment is ripe for such an intervention from the impacts of the Black Lives Matter and MeToo movements to the uneven effects of the COVID 19 pandemic on the sporting world intersectional analyses are needed to address the pressing inequalities that continue to characterize sport and animate the field
