Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic
