*Trading Vincent*  
**Crow** D C J Wardle,2012-12-27 Vince Crow had heard somewhere that you could trade a piece of useless junk on the internet and within a year of swapping it for better and better things get cool stuff Crow decided that he himself was going to start off as that piece of tat jump from one job to the next indeed he would trade one lifestyle for a new one until he was finally a success Every three months he would have to trade up for an entirely new life a new job a new girl new wheels a new pad new threads until he reached the top The plan of comparing himself to a used item traded over the internet was of course marginally flawed as there is a human factor to all of this which he d overlooked Besides success isn t just about work It s about the car the clothes the house and getting the girl so changing all of that with every new trade upwards is a lot more difficult than swapping an old stereo in the classifieds Crow quickly learns what the price of success really is An education he would never have got if he had gone to college Trading Vincent Crow which is like Bridget Jones Diary for men will appeal to fans of humorous fiction D C J Wardle has been inspired by P G Wodehouse and Gerard Durrell
