Take Charge of Your Teaching Evaluation Jennifer Ansbach, 2017

Evaluations can be seen as someone else's judgment. Or they can be seen as a way for us to show what we can do and how amazing our students are. Jennifer Ansbach. This year's evaluation can be different.

Evaluation can be scary, unproductive and even unfair. But this year it doesn't have to be. Not if you let Jennifer Ansbach help you take charge of the story of your practice, make the most of the process and keep the focus on student learning. Documenting your practice and professional learning to improve your evaluation. Take Charge of Your Teacher Evaluation isn't about gaming your evaluation. Instead, Jen shows how to build a Professional Development Journal piece by piece, one that aligns to your evaluation system, boosts your professional growth, deepens student learning and actually makes your evaluation a productive two-way conversation. You'll be prepared at any time to clearly present unmistakable evidence of your work and your students' growth. Best of all, Jen brings it back to the kids, always suggesting ways to connect professional learning to the young people in front of you. A blueprint for growth and success.
